SUBJECT: Escalon Community Ambulance Exclusive Operating Area Ambulance Compliance Report

This EMS Agency Report on the Exclusive Operating Area Zone F and the contract compliance for the Emergency Ambulance Provider Escalon Community Ambulance (ECA) for the months of January and February 2026, provides an in-depth review of ECA’s performance. The County’s contract with ECA establishes accountability for meeting specific standards and provides the EMS Agency with complete access to data and information on ECA’s operational, clinical, and administrative performance. Performance data in the table below are the result of combining two months to ensure that a minimum of 100 responses is measured for statistical relevance.

As shown in the graph above, ECA’s combined two-month percentile of 93.42% did meet the 90th percentile standard set by San Joaquin County, with 122 responses. The complete compliance report for January and February 2026 may be viewed or downloaded from the EMS Agency’s website: [www.sjgov.org/department/ems](http://www.sjgov.org/department/ems)
