holder was prosecuted as an adult. Equivalent convictions from other states shall apply to the type of offenses listed in B or C. As used in this policy, “felony” or “offense punishable as a felony” refers to an offense for which the law prescribes imprisonment in the state prison as either an alternative or the sole penalty, regardless of the sentence the particular defendant received.

- E. This policy shall not apply to an Advanced EMT or EMT who obtained a certificate prior to July 1, 2010; unless:
 - 1. The certificate holder is convicted of any misdemeanor or felony after July 1, 2010.
 - 2. The certificate holder committed any sexually related offense specified under Section 290 of the Penal Code.
 - 3. The certificate holder failed to disclose any prior convictions when completing his/her application for initial EMT certification or certification renewal.

- F. Nothing in this policy shall negate an individual’s right to appeal a denial or revocation of a SJCEMSA issued prehospital certificate.

- G. Negative certification action of an Advanced EMT or EMT by the Medical Director shall be valid statewide and honored by all certifying entities for a period of at least twelve (12) months from the effective date of the certification action. An Advanced EMT or EMT whose application was denied or an Advanced EMT or EMT whose certification was revoked by the Medical Director shall not be eligible for certification by any other certifying entity for a period of at least twelve (12) months from the effective date of the certification action.
