

ICS-300 Intermediate Incident Command System for Expanding Incidents Course

October 10-12, 2023
San Joaquin County Ag Center
2101 E. Earhart Ave., Assembly Room 2
Stockton, California
0800-1700 Hours

Purpose

ICS-300 provides training and resources for personnel who require advanced application of the ICS. The course expands upon information covered in the ICS-100 and ICS-200 courses.

Audience

This course is intended for individuals who may assume a leadership or supervisory role during emergencies/disasters.

Course Topics:

- Describe how the NIMS command and management component supports the management of expanding incidents.
- Describe the incident or event management process for supervisors and expanding incidents as prescribed by ICS.
- Implement the incident management process in a simulated Type 3 incident.
- Develop an incident action plan for a simulated incident.

Course prerequisites:

- ICS-100 and ICS-200, IS-700, IS-800

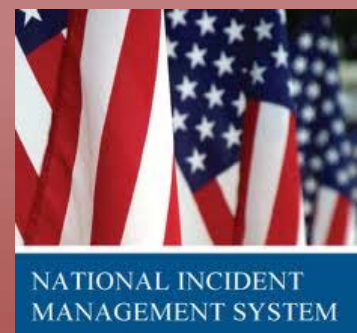

Tuition:

- FREE

Course participation is limited to the following:

- San Joaquin County Health Care Services assigned personnel
- San Joaquin Operational Area Healthcare Coalition member organizations

Class Size Minimum is 15, Maximum is 30 Students

Register using the WebEOC ICS-300 Course Registration board
