

2023 Schedule Paramedic Accreditation Orientation (PAO) Course

Course Objective

Participants will gain knowledge of the San Joaquin County's EMS System Structure, the accreditation and field internship process, receive an overview of expanded scope of medications, they will understand key EMS medical control policies, and be provided an opportunity to Question & Answer with the San Joaquin County EMS Agency.

Intended Audience

Paramedics applying for initial San Joaquin County (SJC) Paramedic Accreditation and paramedic students (EMTs) assigned to complete a paramedic field internship within SJC.

Course Prerequisites

1. Minimally Interrupted Cardiac Resuscitation (MICR) video and test (available in the online application portal, under the applications).
2. Lucas 3 Chest Compression System Training online (https://www.lucas-cpr.com/web_training/lucas3/).
3. X-Collar™ online training (<https://www.xcollar.com/login/>).

Location

SJCEMSA Classroom, 505 W. Service Rd., French Camp, CA 95231

Time

09:00 am (PAO continues on after PSR course)

This class is offered at no cost to the participant. The class is expected to be 5-7 hours with the San Joaquin County EMS Agency Policies exam to follow. The exam is open book and you must have a score of 80% or higher to pass and be issued a course completion certificate (CE certificate). Up to seven (7) hours of instructor-based EMS will be offered. CA EMS CE provided by San Joaquin County EMS Agency CEP# 39-0001.
