

# San Joaquin General Hospital Trauma Services Presents

## Field To Facility: Trauma Case Reviews

May 21, 2026, from 10:30 - 12:00 at SJGH Doctor's Dining Room

San Joaquin General Hospital's (SJGH) Trauma Services team is happy to present an exciting educational event that will bring together emergency medical service professionals from across San Joaquin County. The target audience is Emergency Medical Technicians (EMT), Paramedics, and First Responders.

Trauma Surgeons will present trauma cases transported to SJGH's Level II Trauma Center, highlighting excellent care provided by San Joaquin County EMS prehospital personnel, share opportunities for improvement, and engage in feedback.

1.5 EMS CE hours provided by SJCEMSA, CA EMS CE Provider Number #39-0001

No Cost to participants.
