

## Household Hazardous Waste In The Home

Household Hazardous Waste should never be thrown in the trash, washed down the drain, or poured onto the ground.

- Never leave hazardous products within reach of children.
- Buy products in smaller sizes with less or no harmful ingredients.
- REDUCE waste by purchasing only the amount needed to do the job.
- REUSE by donating unused portions of common items, such as paint or fertilizer, to friends or community organizations.
- RECYCLE by taking unwanted products to your local HHW Facility.

## How Can I Determine How Hazardous Products Are?

Determining how hazardous products are may not be simple, but reading the labels will give you some clues. Hazardous products are often marked with warning labels or cautions because they contain chemicals that may be TOXIC, FLAMMABLE, CORROSIVE or REACTIVE.

To reduce the hazards in your home, read the labels on competing products and choose products that are non-hazardous or less hazardous. Products labeled “caution” or “warning” are generally less harmful than those that are labeled with “danger” or “poison.”

Look for these key terms on the product label:

### CAUTION:

Mild to Moderately Hazardous

### WARNING:

Moderately Hazardous

### DANGER:

Extremely Flammable, Corrosive or Toxic

### POISON:

Highly Toxic

COUNTY ORDINANCE PROHIBITS DUMPING ANYTHING DOWN A STORM DRAIN OR INTO A WATERWAY. TO REPORT STORM DRAIN DUMPING, PLEASE CALL: (866) 755-4955

Program sponsored by the communities of San Joaquin County

Poison Control: 1-800-222-1222

## ADDITIONAL INFORMATION

### San Joaquin County Household Hazardous Waste Facility

7850 R.A. Bridgeford Street  
Stockton, CA 95206  
209-468-3066

# HOUSEHOLD HAZARDOUS WASTE DISPOSAL GUIDE

**FREE DISPOSAL**  
of Household Hazardous Waste (HHW) for residents of San Joaquin County.

San Joaquin County  
Household Hazardous Waste Facility

# What is Household Hazardous Waste?

When leftover paint, used oil, pool chemicals and other products containing hazardous materials are no longer wanted, they become “Household Hazardous Waste,” or “HHW.” It is illegal to dispose of HHW in the garbage, down drains, or onto the ground, as it may threaten human health or the environment. Illegally disposed hazardous waste can release chemicals into the environment and contaminate our air, water, and even the food we eat. Americans generate over 1.6 million tons of HHW per year; that’s about 100 pounds of HHW for every household!

## **IN THE HOME**

### Household Cleaners

- Abrasive Cleaners
- Ammonia-based Cleaners
- Bleach-based Cleaners
- Chlorine Bleach
- Disinfectants
- Drain Openers
- Glass Cleaners
- Oven Cleaners
- Scouring Powder
- Spot Removers
- Toilet Bowl Cleaners
- Upholstery & Rug Cleaners
- Other Chemicals

### Other Household Products

- Aerosol Spray Cans
- Floor Polish
- Furniture Polish
- Mercury Devices
- Medications\*
- Mothballs
- Nail Polish & Remover
- Propane Tanks (5 gallon maximum)
- Silver Polish
- Sharps (lancets, blood test items)\*\*
- Syringes\*\*
- Thermometers

\* No controlled substances

\*\* Must be delivered in a sealed biohazard container or heavy duty (puncture proof) plastic container with lid.

## **IN THE GARDEN**

### Pesticides & Garden Products

- Chemical Fertilizers
- Flea Collars, Sprays & Bombs
- Fungicides & Pesticides
- Herbicide & Weed Killers
- Insecticide & Bug Killers
- Rodent Poisons
- Snail & Slug Poisons

### Pool & Hobby Products

- Artist & Model Paints
- Solvents
- Photographic Chemicals
- Pool Chemicals, including Disinfectants & PH Balancing Chemicals
- Solvent-Based & Epoxy Glues

### Visit Our Reuse Room For **FREE** Products!

The Household Hazardous Waste Facility Reuse Room has products available that are new or partially used. Items typically include usable paint, solvents, plant fertilizers, pesticides, cleaners, pool supplies and much more. Residents may take items for home use **FREE** of charge.

Conditions apply.

## **IN THE GARAGE**

### Automotive Products

- Antifreeze
- Auto & Motorcycle Batteries
- Auto Paint & Primer
- Car Waxes & Polishes
- Engine Cleaner & Degreaser
- Gasoline & Diesel Fuel
- Kerosene
- Motor Oil
- Solvents & Acids
- Transmission Fluid
- Other Automotive Fluids

### Paint Products

- Enamel & Oil-based Paint
- Furniture Stripper
- Latex & Water-based Paint
- Paint Stripper
- Rust Paint
- Sealers
- Stain
- Thinner, Solvent & Turpentine
- Varnish
- Wood Preservative

For other convenient paint take-back locations, visit:

[www.SJCrecycle.org](http://www.SJCrecycle.org)

## **UNIVERSAL WASTE**

### Common Hazardous Items or Products

- Batteries:
  - Single Use
  - Rechargeable
  - Sealed Lead Acid
  - Automotive
- Fluorescent Lights & Bulbs
- Mercury Devices:
  - Mercury Thermometers
  - Mercury Thermostats
  - Other Devices Containing Mercury
- Consumer Electronic Devices\* (e-waste):
  - Tablet
  - Cellular Phones
  - Computers and Cables
  - Computer Monitors\*\*
  - Printers
  - Radios & Stereos
  - Telephones
  - Televisions\*\*
  - VCR/DVD Players
  - Other Small Consumer Electronics

\*Limit of 5 large electronic devices per trip.

\*\*48 inch screen maximum at this facility.

**Residents may legally transport a limit of 15 gallons or 125 pounds of material to the HHW Facility per trip.**

**HHW FACILITY OPEN THURSDAY - SUNDAY FROM 9:00AM - 3:00PM (EXCLUDING HOLIDAYS)**
