

FREE WELL TESTING

Do you want to know more about the quality of your well water? Valley Water Collaborative will test your well water for free to check for contaminants.

**Here Is How
To Get Started!
SCAN BELOW**

Apply online at valleywaterc.org or call (209) 750-3867. It's fast and easy!

If you qualify, we test your well water for free and give you the results!

If your water has high levels of harmful substances, you could qualify for free bottled water delivered to your home!

Your application information will only be used for this program and will not be shared with any local, state, or federal agency involved with law enforcement or immigration enforcement.

Funded in part by the State Water Resources Control Board under the Safe and Affordable Funding for Equity and Resilience (SAFER) drinking water program.
