C. BENEFICIARY INFORMATION

Each activity must have a direct or indirect benefit to persons of low- to moderate-income. A direct beneficiary is defined as a person or family receiving a direct service (benefit) for which they are required to either complete a personal income verification form, or submit an application for the purpose of demonstrating eligibility under a particular criteria (such as income limit). An indirect (area) beneficiary is defined as a person or family who receives a service (benefit) that is equally provided to the whole community or a targeted portion of the community.

1. How does (will) your organization verify income eligibility of your clients?

	Yes or No
Area Benefit. Project service area has been identified and determined to be	
statistically low-income based on the 2010 Census. If you use this method, provide all	
Census Tracts and Block Groups served by your project and a calculation of the	
low-income percentage. Please utilize the following web application to confirm	
eligibility. Area benefit applicants are required to confirm block groups/census tracts	
are eligible. Map depicting area with low/mod % is required with this application.

Self Certification . Clients independently "self-certify" on an intake form, membership	
form, etc. If you use this method, please attach a blank intake form.	
Client Document Review. Clients provide tax documents, pay stubs, etc., to verify	
income. Documents are reviewed by staff. If you use this method, please attach a	
blank worksheet.	
Presumed Beneficiaries . Clients served are <u>primarily and specifically</u> from one of the	
following groups: abused children, battered spouses, elderly persons (62 years of age	
or older), special needs/disabled persons, migrant farm workers, handicapped	
individuals, homeless persons. If you use this method, please indicate which	
group. *Please note sidewalks and handicap ramps do not have a presumed	
benefit to any group of person listed above.	
Economic Development Beneficiaries . Financial or Technical Assistance to	
Businesses. The number of full-time, part-time jobs created or retained; the number of

E. PERFORMANCE OUTCOME MEASUREMENT

The program performance categories listed below are required under the three Federal grant programs by the U.S. Department of Housing and Urban Development (HUD). Please check one of the boxes under the following program performance categories that apply to your proposed project.

- 1. Which <u>one</u> of the following objectives will the proposed activity address? (TIP: What is the purpose of the activity?)
 - () Create a Suitable Living Environment

Relates to activities that are designed to benefit communities, families, or individuals by addressing issues in their living environment. This objective relates to activities that are intended to address a wide range of issues faced by low- and moderate-income persons, from physical problems with their environments, such as poor quality infrastructure, to social issues such as crime prevention, literacy, or elderly health services.

() Provide Decent Housing

Covers the wide range of housing activities that are generally undertaken with HOME and CDBG funds. This objective focuses on housing activities whose purpose is to meet individual family or community housing needs.

() <u>Create Economic Opportunities</u>

Activities related to economic development, commercial revitalization, or job creation.

- 2. Which <u>one</u> of the following outcomes will the proposed activity meet? (TIP: What type of change or result am I seeking?)
 - () <u>Improve Availability or Accessibility</u>

Applies to activities that make infrastructure, public services, public facilities, housing, or shelter available or accessible to low- and moderate-income people, including persons with disabilities. Accessibility does not refer only to physical barriers, but also to making the basics of daily living available and accessible to low- and moderate-income people where they live.

() Improve Affordability

Applies to activities that provide affordability by lowering the cost, improving the quality, or increasing the affordability of a product or service to benefit a low-income household. Activities can include affordable housing, basic infrastructure hook-ups, or services such as transportation or day care.

() <u>Improve Sustainability</u>

Sustainability is specifically tied to activities that are designed for the purpose of ensuring that a particular geographic area as a whole (such as a neighborhood) becomes or remains viable by providing benefit to persons of low- and moderate-income or by removing or eliminating slums or blighted areas, through multiple activities or services that sustains communities or neighborhoods.

F. PROJECT PHASING

	It is helpful to know if your project will span over multiple years, and if you intend to apply for future CDBG funds. This information is not considered a disadvantage during the review of the application.
1.	Can the proposed project be divided into smaller projects, if necessary? () Yes () No
2.	Is the proposed project part of a larger project involving more than one phase? () Yes () No
3.	Please attach a description and map of the overall project area for environmental assessment purposes. () Attached () Previously Provided
