 - Delta Dental PPO (most cost savings)
 - Delta Dental Premier (some cost savings)

Delta Dental Network

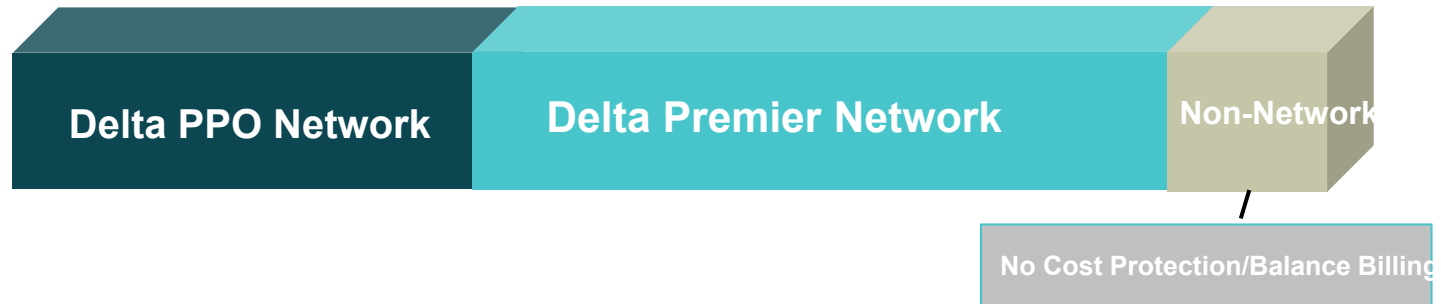

Services under the Delta PPO network provide cost savings to the employee and the County with deeper discounted fees for services (average 30-41% discount for PPO). Delta is unique in that they have a second network of participating dentists in the “Premier Network”. Within the PPO and Premier Networks, members can access up to 83% of the dentists in CA with cost protection and no balance billing.

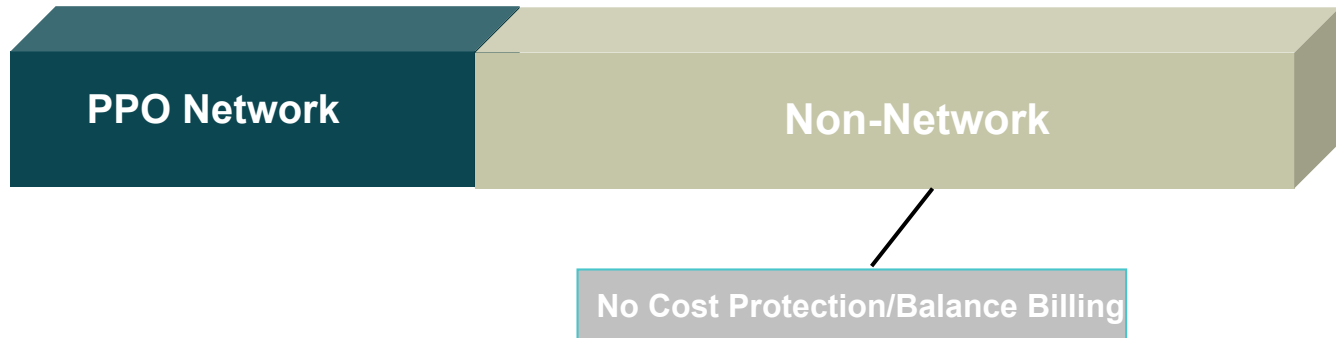

Fee discounts average 30-41% less
