(Rev 3/16/2004)

Unless otherwise noted in the examination announcement, applications must be filed electronically by using the online Employment Application and submitted no later than 11:59 p.m. on the final filing date or extension thereof prescribed in the examination announcement. If the recruitment allows for paper applications to be filed, that paper application must be mailed or hand delivered to the Human Resources Department. If mailed the envelope must bear a postmark before midnight of the final filing date, and if hand delivered to the Human Resources Department, must be received by the close of business on the final filing date. The Director may determine specific locations for filing of applications, and may allow the application to be transmitted in person or by mail by incorporating such exception in the examination announcement. The applicant shall certify as to the correctness of all statements made on his application. (Rev 08/2018)

Section 2. Health and Physical Ability

The Commission may establish medical and physical standards for the various classes of position in the Classified Service. In the event that a former employee is to be reinstated to a position other than to a class of positions in which he held previous status, he shall be required to meet the medical and physical standards prescribed by the Commission for that class and may be required to take a mental examination, physical examination, or both mental and physical examinations, to determine whether or not he meets such standards.

In the event that a permanent employee is to be promoted, demoted, or transferred to a class of positions which has materially different medical and physical standards than the class from which he is being promoted, demoted, or transferred, he shall be required to meet the medical and physical standards prescribed by the Commission for the new class.

The Civil Service Commission shall establish a program providing for physical examinations, mental examinations or both mental and physical examinations for the purpose of determining the physical, mental, or both physical and mental ability of employees as related to their work. This program shall be in the form of a policy statement by the Civil Service Commission and may provide that certain treatment or correction be performed, or the placement of employees in positions in keeping with their physical and mental abilities and for the separation from county service of those employees who cannot meet medical and mental standards. This program shall cover all employees in those classes recommended by the Civil Service Commission and designated by the Board of Supervisors. (Added by Rev. 12/28/65)

Section 4. Special Qualifications

An Appointing Authority may make written request to the Director of Human Resources for certification of eligibles who have special qualifications. The request must state:

1. the specific qualifications desired and the special duties of position(s) which necessitate these qualifications;
2. the number of positions to be filled with specially qualified eligibles.

Approval will be granted only when the request clearly demonstrates that the need for special qualifications is based on the duties and requirements of the position(s) and is in conformance with merit system and equal employment opportunity principles. If approved, the special qualifications shall become a part of the examination announcement. (Rev 08/2018)

Section 5. Selective Certification

Eligibles who possess special qualifications, when such qualifications are approved in accordance with Section 4 of this rule, shall be certified ahead of other eligibles on the eligible list. Except as written, examinations may be required by state or federal regulation, for classes of positions which receive federal or state grants-in-aid, examinations may be unassembled, written or oral, or both written and oral, or in the form of a practical demonstration of skill and ability or rating of education, training, experience or any combination of these as shall be determined by the Director, and shall be rated as provided in this rule. Test results of other agencies will be considered valid for a 12 month period and may be accepted if approved by the Human Resources Director, if other agencies can verify the accuracy of the test results. (Rev 08/2018)

Upon written request of any department head concerned, test items for written tests may be reviewed as to relevancy and accuracy by that department head prior to the preparation of the examination. Such review shall be under the supervision of and under the conditions set forth by the Director.

(Added by Rev. 3/23/71)

The rules governing promotional examinations will be found in Rule 10.

Section 6. Written Examination Procedure

Unless otherwise ordered by the Commission or provided for in these rules, all examinations shall be conducted under the supervision of the Director. The Director may, when deemed advisable, appoint competent persons to direct all or any part of an examination and to rate the persons participating therein.

The passing grade on written examinations shall be determined by the Director after giving consideration to test difficulty, quality of competition, needs of service and other pertinent factors such as availability of candidates, number of vacancies, number of positions in the class, number of provisional employees, vacancies in hard-to-fill positions, number of unfilled positions, number of anticipated vacancies, and useful life of lists. The final results shall be rounded to the nearest whole number. (12/2000)

The candidate may, at his or her sole discretion, inspect his or her written examination papers in the Human Resources Division Office. If the examination is not a standardized examination, the candidate may be allowed to inspect a copy of the questions and answers used in the examination. This inspection must occur within ten (10) days of the date results were sent, or if personally delivered, within ten (10) days of receipt of the notice. Such inspection or review shall be under the supervision of and under the conditions set forth by the Director. (Rev 08/2018)

During this period an examinee may appeal to the Commission in writing for the exclusion of any item or portion of the test or from the answer indicated as correct for any item. The examinee shall state the item, page number and the reasons or authority in support of his contention. Thereafter no further appeals will be accepted which are concerned with the examination content or answers indicated as correct for items in said written test. An appeal which fails to set forth the reason or authority for a contention will not be considered. The Director shall submit the appeals to the examining agency for investigation and recommendations to the Commission. The examining agency shall state that the appeal will be granted or denied and give reasons for its decision. The Commission shall make a final ruling and the examination papers will be scored according to this decision.

- c. In either case, upon receipt by the Director, within ten days of the sending out of the notice of test results, of a written statement by the competitor setting forth the facts upon which he bases his appeal and the determination by the Director whether good cause exists for the consideration of the appeal.

If, upon considering such an appeal, the Commission decides the competitor possesses the minimum qualifications of education, experience, personal traits and fitness for the classification and merits a passing rating, it shall in the absence of fraud on the part of the oral board give him a rating on education, experience and/or personal qualifications not in excess of the minimum passing grade prescribed for the examination.

A rating in any part of an examination shall not be changed unless compliance with the foregoing conditions has been made and unless it is found by the Commission that a substantial error has been made. The Commission's decision with respect to a review or change shall be final and shall be entered in its minutes. A correction in the rating shall not affect a certification which may already have been made from the eligible list.

Section 11. Continuous Examinations

A series of open examinations for the same class of positions may be announced by a single notice. Such examinations may be administered from time to time as applicants are available or as appointments are necessary. (Rev. 10/22/68)

RULE 17. REDUCTION IN STAFF

When it is necessary to reduce staff for lack of work or lack of funds or in the interests of economy, the Appointing Authority after consultation with the County Administrator, shall determine the classes in which the reduction is to be made and the number of positions to be eliminated. The County Administrator shall furnish such information to the Director who shall then designate the persons to be laid off according to the following method:

 - a. Employees who have a temporary status only.
 - b. Employees who have a provisional status only.
 - c. Permanent and probationary employees.

(2), those having the lowest seniority in continuous service of the County shall be laid off up to the number necessary, provided that, in the event that there are more than one with the same seniority, they shall then be arranged in the order of their last service evaluation, and provided that seniority credit for lay-off purposes shall be granted only for periods of employment covered by service evaluations, which are at least satisfactory.
 - (2) Among permanent and probationary employees in the classifications of Correctional Sergeant, Sergeant, Correctional Lieutenant, Lieutenant, Correctional Captain, Sheriff's Captain, and District Attorney Investigator III, the order of layoff will be determined by total time in the "layoff" classification, without regard to total county seniority. Total time in each classification will include time spent in the higher classification so that seniority will be cumulative as an employee bumps through the series. The order of layoff will be determined by length of service in the classification, or cumulative length of service to the level in the series the layoff occurs. Where two or more employees have equal seniority, based on either length of service in classification, or cumulative length of service in the series, then total county seniority shall determine the order of layoff as outlined in Section 1.c.(1) of this rule. Seniority credit for layoff purposes shall be granted only for periods of employment covered by service evaluations, which are at least satisfactory. (Rev 11/2015)
2. Reduction in forces in a department shall not affect employees working in the same classification in another County department, or in any other series. The classes that constitute a series shall be established by the Director of Human Resources.

RULE 17. (continued)

3. An employee may displace an employee of the department in the lower classification in accordance with their standing in section 1.c., paragraph (1) or (2) above. In the same manner, the employee thus displaced may likewise displace another employee, and so on.
4. The names of permanent or probationary employees laid off under this procedure, arranged in the order of their relative service evaluation and seniority as outlined above, shall constitute a Re-employment Eligibility List and all persons on such Re-employment Lists for a given class shall be given the opportunity of employment before any other person is considered for employment in that class.

- a. An employee in the Classified Civil Service may be dismissed, suspended, or reduced in rank or compensation by the Appointing Authority after appointment or promotion is complete by written order, stating specifically the reasons of the action and the employee's right of appeal. The appointment or promotion shall not be deemed to be complete until the employee has served the required probationary period of one year. The order shall be immediately filed with the Director of Human Resources and a copy thereof shall be furnished to the person to be dismissed, suspended, or reduced in rank or compensation.
- b. The Appointment Authority may not substitute other forms of disciplinary action for dismissal, suspension, demotion, or reduction of salary. (Rev. 3/21/72)

Section 3. Appeal and Answer

The employee, within seven (7) calendar days after the order is furnished to the employee, may appeal the order in writing to the Director of Human Resources. The employee, in making the appeal, shall designate in writing whether the matter will be heard by the Civil Service Commission in accordance with Section 4, 4.1, 5, and 8 of this Rule or whether the matter will be submitted to binding arbitration in accordance with Sections 6, 7, and 8 of this Rule. (Rev. 2/28/84)

Section 4. Hearing

Within twenty days from the filing of the appeal the Commission shall commence a hearing, and either affirm, modify, or revoke the order. The appellant may appear personally, produce evidence, and have counsel and a public hearing. The hearing shall be informal and the Commission shall not be bound by any of the rules of evidence governing trial procedure in State Courts; provided, however, that insofar as determined practicable by the Commission, the hearing shall be conducted in accordance with the provisions of Section 11513 of the Government Code save and except that the employee may be examined and may examine and cause any person to be examined under Section 776 of the Evidence Code. (Rev. 3/21/72)

By specific decision the Commission shall affirm, revoke or modify the order and the Appointing Authority shall forthwith enforce and follow the Commission's decision. If it is found that the charges are not supported by the facts, then the employee shall be restored forthwith to his previous position with all rights and privileges pertaining thereto and with full back pay for the time lost.

Section 6. Arbitration

When an employee designates the matter to be determined by arbitration, the timing and procedure of such arbitration shall be established by agreement of the parties to the arbitration. Unless otherwise agreed, the arbitrator shall be selected from a list of five (5) individuals. Each party shall name two (2) such individuals and the fifth individual shall be a member of the State Office of Administrative Hearings. The parties then shall use a striking procedure to select the arbitrator. The Director of Human Resources shall assist the parties in the administration of the arbitration but shall not be a party to the arbitration or otherwise be involved in the arbitration. The costs of the arbitration shall be borne equally by the parties. (2/28/84)

An employee shall have the employee's appeal determined by the Civil Service Commission or by arbitration but an employee shall not have the right to have the matter determined by both the Civil Service Commission and arbitration and a matter determined by one procedure may not be appealed through the alternate procedure. The determination by the Civil Service Commission or by arbitration is final and binding upon the parties and any appeal therefrom shall be to a court of competent jurisdiction within ninety (90) days of the decision of the Civil Service Commission or arbitrator. (2/28/84)

Section 9.

Provisions of Sections 6, 7, and 8 of the Rule shall not abridge any rights to which an employee may be entitled under other sections of the Civil Service Rules and Regulations regarding hearings before the Civil Service Commission. (2/28/84).

Any employee who believes that his rights or benefits, as provided for in these rules or in departmental rules promulgated under these rules is being violated, may appeal in writing through his immediate supervisor to the appointing authority within ten (10) days of the alleged violation. If the Appointing Authority is unable to make an adjustment within ten (10) days of the date of the appeal addressed to him, the employee may appeal in writing to the Director of Human Resources. If the Director of Human Resources is unable to make an adjustment within ten (10) days of the date of the appeal addressed to him, the employee may appeal in writing to the Civil Service Commission. Upon receipt of the appeal, the Civil Service Commission, at its next regular meeting, shall take the appeal under advisement and may hold a hearing. The findings and decisions of the Civil Service Commission shall be final.

RULE 20. DISCRIMINATION PROHIBITED

Section 1. General Provisions

No employee of the County or any job applicant seeking employment with the County shall be discriminated against in any aspect of employment because of age, ancestry, color, creed, marital status, medical condition (cancer or genetic characteristics), national origin, physical or mental disability, political affiliation or belief, pregnancy, race, religion, sex, or sexual orientation.

Section 2. Discrimination Complaints

These procedures are intended to provide a method for resolution of complaints alleging discrimination on one or more of the basis cited in Section 1 of this Rule. Complaints that are not based on the types of prohibited discrimination cited in Section 1 shall not be processed under this Rule.

Section 3. Informal Complaint Process

The intent of the informal complaint process is to provide for early intervention and resolution of discrimination complaints in an informal manner or through a mediation process at the departmental level.

Prior to the filing of a formal complaint, an employee alleging discrimination in violation of this Rule shall report the discrimination to the Department EEO Coordinator (Coordinator). Complaints must be reported within sixty (60) days of the date the alleged discrimination occurred. A job applicant alleging discrimination under this Rule shall report the discrimination to the County Equal Employment Opportunity Office (EEO Office) within sixty (60) days of the date the alleged discrimination occurred.

The Coordinator will meet with the person making the complaint within ten (10) days of receipt of the report in order to:

- (a) Understand the nature of the complaint;
- (b) Undertake efforts to informally resolve the complaint;
- (c) Identify the Complainant's requested remedy; and
- (d) Give the Complainant a copy of Civil Service Rule 20.

The Coordinator shall notify the EEO Office of the complaint within five (5) days of the initial meeting with the Complainant.

The Coordinator will make reasonable efforts to resolve the complaint if the complaint appears to have merit. When mutually agreed to by both the Complainant and the Appointing Authority of the affected department, the Coordinator may seek the assistance of a mediator

RULE 20. Section 3. (continued)

available through the San Joaquin County Mediation Center to help resolve the complaint. The Coordinator shall provide written notice to the Appointing Authority indicating whether the complaint was resolved or the specific actions recommended by the Coordinator and/or Complainant to resolve the complaint. Within ten (10) days of the receipt of the written notice, the Appointing Authority will make the departmental decision regarding any actions requested by the Coordinator and/or Complainant that are within the Appointing Authority's authority.

Within three (3) days of receipt of the Appointing Authority's departmental decision, the Coordinator shall provide written notice to the Complainant and Respondent of the results of the informal complaint process. The written notice to the Complainant shall also inform the Complainant of his or her right to file a formal written complaint if he or she is not satisfied with the results of the informal process. The Coordinator shall also notify the EEO Office in writing within three (3) days of the conclusion of the informal complaint process of the results and provide all documentation received during the course of the informal complaint process.

Unless otherwise agreed to by the Complainant and the Coordinator to extend the timeframe, the informal complaint process shall be concluded within thirty (30) days of the Coordinator's initial meeting with the Complainant.

In the case of a complaint from a job applicant, the EEO Office shall process the complaint in the manner set forth in Section 4.

Section 4. Formal Complaint Process

If a discrimination complaint is not resolved through the informal complaint process, or if the Complainant is not satisfied with the results of the informal complaint process, the Complainant may file a formal written complaint with the EEO Office within fifteen (15) days of notice of the results of the informal complaint process.

A formal complaint of discrimination shall be in writing and should be filed on the County's Discrimination Complaint form. The Complainant shall describe in detail the alleged discrimination and the action the Complainant requests to resolve the matter. The complaint must be signed and dated and shall contain at least the name(s) of the individual(s) involved, the approximate date(s) of the event(s) at issue, the names of any witnesses to the alleged discrimination, the Complainant's requested remedy, and a description of the action(s) constituting the alleged discrimination.

An investigation will be initiated if the complaint meets the following requirements:

- The complainant alleges discrimination prohibited under Section 1 of this Rule and provides enough detailed information to determine the events constituting the discrimination.
- The complaint is filed within fifteen (15) days of the conclusion of the informal complaint process as set forth in Section 3 of this Rule.

RULE 20. Section 4. (continued)

Defective complaints shall be returned within five (5) days of receipt by the EEO Office with an explanation of why an investigation was not initiated under this Rule. If a complaint is returned because of lack of detail, the Complainant will be advised that he or she may submit an amended complaint within ten (10) days of receipt providing enough detail to determine the events constituting the discrimination.

Within fifteen (15) days of receipt of a complaint filed in accordance with this Rule, the EEO Office or designee will meet with the Complainant to review the complaint and shall notify the Respondent and Appointing Authority that a written complaint has been received and a formal investigation has begun. The investigation will be conducted in a confidential manner. If the circumstances of the situation call for such action, the Investigator will consult with the Appointing Authority regarding reasonable steps that should be taken to protect the Complainant from discrimination or retaliation during the course of the investigation.

Within sixty (60) days from the date of the initial meeting with the Complainant, or unless there is mutual agreement between the Complainant and the EEO Office to extend the timeframe of the investigation, the Investigator shall complete the investigation and shall provide a written summary of the investigation to the Complainant and Respondent. The summary will indicate whether the alleged violation of this Rule is substantiated or is unsubstantiated.

The EEO Office shall submit a post-investigation report to the Appointing Authority within the 60-day timeframe stated above. The report shall indicate whether the alleged violation of this Rule is substantiated or is unsubstantiated. If the complaint is substantiated, the EEO Office may include in the report advisory recommendations to the Appointing Authority that are designed to deter further violation of this Rule. The EEO Office will also recommend remedial or restorative action(s) that are in conformity with these Civil Service Rules, the County's Memoranda of Understanding, work rules, policies and practices.

Within ten (10) days of receipt of a post-investigation report substantiating a violation of this Rule, the Appointing Authority shall respond in writing to the EEO Office and indicate as follows:

1. Whether the Appointing Authority agrees or disagrees with the conclusion of the Investigator that the violation of this Rule has been substantiated. If the Appointing Authority disagrees with the conclusion that this Rule has been violated, he or she shall include an explanation of the reason(s) for disagreement.
2. In addition, as to each advisory recommendation, the Appointing Authority shall report one of the following actions:
 - a) That the recommendation has been implemented, with a summary of the implemented action.

RULE 20. Section 4. (continued)

- b) That the recommendation has not yet been implemented, but will be implemented in the future, with a timeframe for implementation.
- c) That the recommendation will not be implemented, with an explanation therefore, but that alternative action(s) will be taken which is designed to deter further violations of the Rule, and is in conformity with these Civil Service Rules, the County's Memoranda of Understanding, work rules, policies and practices.
- d) That the recommendation will not be implemented, with an explanation therefore.

Within five (5) days of receipt of the Appointing Authority's response, the EEO Office shall provide written notice of the Appointing Authority's decision to the Complainant and shall inform the Complainant of his or her right to file an appeal before the Civil Service Commission.

Section 5. Appeal Hearing Process

If, at the conclusion of the formal complaint process set forth in Section 4 above, the EEO Office concludes (1) that the allegation of discrimination under this Rule has not been substantiated, or (2) concludes that a violation has been substantiated; however, the Appointing Authority disagrees with that conclusion and indicates that he or she will not take any or all remedial or restorative action, a Complainant shall have the right to submit a written request for an appeal before the Civil Service Commission (Commission) within fifteen (15) days of receipt of the written notification from the EEO Office of the Appointing Authority's decision.

The written appeal request shall be filed on the Commission's Request for Appeal form and shall contain the facts and circumstances of the alleged discrimination and the remedy requested by the Complainant.

The Commission may hold a hearing on the appeal. The Complainant shall be notified of the date and time of the hearing or of the Commission's decision not to hear the appeal.

The Complainant may appear personally, produce evidence, and have counsel and a public hearing. The hearing shall be informal and the Commission shall not be bound by any of the rules of evidence governing trial procedure in State Courts; provided, however, that insofar as determined practicable by the Commission, the hearing shall be conducted in accordance with the provisions of Section 11513 of the Government Code, except that the Complainant may be examined and may examine and cause any person to be examined under Section 776 of the Evidence Code. Within thirty (30) days following the completion of the hearing, the Commission shall issue a written decision that the alleged act(s) did or did not constitute discrimination prohibited under this Rule and shall provide written notice to the Complainant, Respondent, Appointing Authority, and EEO Office of its decision.

If the decision of the Commission is that the alleged act(s) constitute discrimination under this Rule, the Commission shall issue an order requiring the person who has committed

RULE 20. Section 5. (continued)

the discrimination to cease and desist from such action in the future. Failure to cease and desist may constitute grounds for disciplinary action under Civil Service Rule 18. The Commission may also order appropriate remedial or restorative action(s) that is in conformity with these Rules, the County's Memoranda of Understanding, work rules, policies and practices. The Appointing Authority shall have ten (10) days from the receipt of the Commission's decision to implement said appropriate remedial or restorative action(s). The Appointing Authority shall notify the EEO Office, the Complainant and Respondent within three (3) days of the implementation of the action taken as outlined in the Commission's order.

Section 6. Retaliation Prohibited

Retaliation against an employee or job applicant for reporting an allegation of discrimination under this Rule, or against an employee for their support of such an employee or job applicant, is prohibited. However, intentionally making a false report or complaint under this Rule, or intentionally giving false statements or testimony in support thereof, may constitute grounds for disciplinary action under Rule 18 of these Civil Service Rules.
