Beneficiary Designation (if applicable)

This designation applies to all funding options (including life insurance) unless otherwise noted. For payout purposes, the Plan Administrator will establish sub-accounts and not separate accounts for beneficiaries, which in the case of multiple beneficiaries may require that required minimum distributions be based on the life expectancy of the oldest beneficiary.

IMPORTANT NOTES: 1) Allocations must total 100% for each category of beneficiary; and 2) If you designate a single primary or contingent beneficiary and do not list a percentage, the allocation will be designated as 100%.

☐ **I have additional beneficiaries.** If you want to designate more than two of each type of beneficiary, you may attach a page with the additional beneficiary information. Allocations must still total 100% for each category.

Authorization

This designation supersedes any prior beneficiary designation and shall become effective on the date accepted by the Plan as listed below prior to my death. My death benefits will be paid first to my Primary Beneficiaries. If some of my Primary Beneficiaries predecease me, then my death benefit will be paid to the remaining Primary Beneficiaries. Contingent Beneficiaries will only receive benefits if no Primary Beneficiary survives me. If no beneficiary designation is on file, benefits will be paid pursuant to the sequence set forth in the Plan Document.
