San Joaquin County Health Benefits Enrollment Form 2023 – 2024

Cafeteria Allowance Employees of Units: A (Executive), B (Senior Management), C (Middle Management), D (Confidential), J (Sheriff's Management), L (Sheriff Sergeants) and O (Exempt)

Only for High Deductible Health Plans: Health Savings Account (Optional)

The County will contribute \$700 annually (divided by 26 pay periods) towards an employee's Health Savings Account (HSA) who elects a High Deductible Health Plan (HDHP) at the employee only coverage level. The County will contribute \$1,400 annually (divided by 26 pay periods) towards an employee's HSA who elects a HDHP at the employee + one or employee + family coverage level. Employees have the option to contribute the difference between the annual maximum and what the County is contributing on a pre-tax basis. This plan is similar to the Flexible Spending Account as you are able to pay for qualifying health expenses. For more information on this plan, call (833) 232-4673 or email voyasupport@voya.benstrat.com

Enter the annual election for the plan you desire. These deductions cannot be used to pay for insurance premiums. Your annual amount will be divided between the remaining number of pay periods in the calendar year you are electing coverage for.

Indicate the election change by checking the appropriate box below.

The IRS has established annual limits that can be contributed to a Health Savings Account in 2023, which are \$3,850 for single coverage and \$7,750 for 2-Party or Family coverage (including the County's Contribution of \$700 for employee only or \$1,400 for employee + one/employee + family).

IMPORTANT:

In order to open a Health Savings Account (HSA) and have tax-free contributions made to that account, you must be "HSA Eligible." IRS guidelines define an HSA Eligible individual as a person who:

- is covered under a HSA-qualified high deductible health plan (HDHP), and
- has "no other health coverage" (except what is permitted by the IRS), and
- is not enrolled in Medicare, and
- cannot be claimed as a dependent on someone else's tax return.

By law, you are not eligible for HSA contributions if you:

- are enrolled in Medicare* (Part A, Part B, Medicare Advantage Plans, Part D, and Medigap/Medicare Supplemental Insurance),
- are covered by another health care plan that is <u>not</u> a qualified high deductible health plan (HDHP),
- can be claimed as a dependent on someone else's tax return.
- are covered by a non-HDHP such as Medicaid, TRICARE or TRICARE for Life, or
- are enrolled in a general purpose Health Care Flexible Spending Account or Healthcare Reimbursement Account (or covered by a spouse's FSA or HRA).

*With respect to being enrolled in Medicare, if you are enrolling in Medicare after attaining age 65, **HSA contributions generally should be discontinued at least six (6) months prior to filing for Medicare benefits**, because Medicare enrollment (called Medicare entitlement) can occur retroactively if you apply after you attain age 65. In such case, if you do not stop HSA contributions in a timely fashion, i.e., the six (6) months (or the months between turning age 65 and the date of application, if shorter) before you apply for Social Security (applying for Social Security is a first step toward Medicare coverage), you may have made an excess contribution and incur a tax penalty.

Information about Health Savings Account Contributions and Prorating the Maximum Yearly Contribution: If you aren't certain you'll be enrolled in a HDHP during the entire next tax year, you can contribute a prorated amount for the months you're actually eligible in the current tax year. To do this, divide the yearly allowable maximum contribution by 12, then multiply the result by the number of months you're enrolled in a HDHP during that tax year.

Eligibility and contribution limits to your health savings account (HSA) are determined by the effective date of your HDHP. If you are enrolled in the HDHP as of December 1, you are not required to prorate your contributions to your health savings account and can make the full year's contribution to your HSA account. However, if you base an entire tax year's contribution on your status on December 1 (and you were not HSA eligible for that entire year) and you cease to be an eligible individual before the end of the following year, any funding of the HSA over the prorated amount for the months of actual eligibility in the prior year is considered an excess health savings account contribution and the excess amount is subject to a penalty and income tax.

A few states including California may not conform their state tax laws with federal tax laws and contributions to the HSA may be taxed under these state laws. It is advisable to discuss with your tax advisor about joining a HDHP with HSA. Remember, it is your responsibility to assure that you are an "HSA eligible" individual while contributions are made to your HSA.

Binding Arbitration Sutter Health Plus (SHP) handles/resolves member disputes through grievance, appeal and independent medical review processes. In the event that a dispute is not resolved in those processes, SHP uses binding arbitration as the final method for resolving all such disputes. As a condition of your membership in SHP, you agree that any and all disputes between yourself (including any heirs or assigns) and SHP, including claims of medical malpractice (that is as to whether any medical services rendered under the health plan were unnecessary or unauthorized or were improperly, negligently or incompetently rendered), except for small claims court cases and claims subject to ERISA, shall be determined by binding arbitration. Any such dispute will not be resolved by a lawsuit or resort to court process, except as California law provides for judicial review of arbitration proceedings. You and SHP, including any heirs or assigns to this Agreement, are giving up their constitutional right to have any such dispute decided in a court of law before a jury, and instead are accepting the use of binding arbitration. I hereby agree to give up my/our right to a jury trial and accept the use of binding arbitration. I understand that the full arbitration provision is contained in the Group Subscriber Contract and EOC.
