Documents Are Online!

Don't forget that you can find more detailed benefits information and documents online—like Summary Plan Descriptions, Summaries of Benefits and Coverage, and more. Start by visiting the County's [benefits webpage](#).

This guide highlights certain components of the benefit plans available to eligible employees of San Joaquin County, but it is only an overview. This guide does not take the place of the official plan documents, including any applicable insurance contracts/policies or related evidences or certificates of coverage, which are the final authority on plan provisions used to determine how, when, or whether benefits are paid or payable and control in the event of any conflict. This guide is a tool for you to use, but you should consult the plan documents for any benefits it describes. These documents are available on the County's [benefits webpage](#). San Joaquin County reserves the right to change, amend, suspend, withdraw, or terminate any or all of the plans, in whole or in part, at any time, subject to any applicable contractual requirements. Further, neither the plans nor this guide are an employment contract. They do not guarantee you the right to continued employment with San Joaquin County.

Required Notice

MEDICARE NOTICE OF CREDITABLE COVERAGE REMINDER

If you or your eligible dependents are currently Medicare eligible, or will become Medicare eligible during the next 12 months, you need to be sure that you understand whether the prescription drug coverage that you elect under the Premier Plan, Select Plan, Select Exclusive Plan, Kaiser Plans, and Sutter Health Plus Plans are creditable with (as valuable as) Medicare's prescription drug coverage.

To find out whether the prescription drug coverage under the medical plan options offered by the County are or are not creditable, you should review the Plan's Medicare Part D Notice of Creditable Coverage included later in this packet, beginning on page 29.

Who's Eligible for County Benefits

Eligible Employees

All full-time and part-time premium employees of San Joaquin County are eligible to enroll in benefits. Your benefits coverage could take effect as soon as two weeks after your hire date, if your paperwork is submitted in a timely manner.

Benefits available to full-time and part-time premium County employees include:

- Medical, dental, and vision coverage
- Employee Assistance Program (EAP)
- Basic life insurance
- Voluntary life insurance (employee-paid)
- Other benefits, such as voluntary insurance plans and our Deferred Compensation Plan

Your Benefits Enrollment Form will show you the plans for which you're eligible, based on your respective Memorandum of Understanding (MOU) or Resolution.

Part-Time Employee Eligibility

Part-time employees are eligible for health benefits only after working for the County for at least one year. Your eligibility is based on a minimum number of required hours worked and is determined through an annual assessment that's conducted after your one-year anniversary of County employment.

For part-time employees, the County pays for up to 80% of the premium for employee-only medical coverage, and you're responsible for paying the full cost of any dependents you enroll in your plan.

Eligible Dependents

You may enroll your eligible dependents in coverage under a medical, dental, or vision plan. To do so, you must provide documentation at the time of enrollment, verifying that your dependents are eligible.

| Eligible Dependents | Required Dependent Documentation |
|--|---|
| Your legal spouse | Marriage certificate |
| Your domestic partner as certified under a Registered Domestic Partnership | Certificate of domestic partnership as registered with the State of California |
| Your natural or legally adopted children, stepchildren, and domestic partner's children who are under age 26 | Birth certificate, adoption certificate, or legal custody order |
| Any child for whom a court has issued a Qualified Medical Child Support Order | Qualified Medical Child Support Order (provided to the County by Department of Child Support Services) |
| Your child over age 26 who is mentally or physically disabled | Disabled child must have been enrolled before turning 26. Please contact Human Resources – Benefits for detailed information on how to continue enrollment. |

Note: Required documentation **must** be provided in a timely manner before enrollment forms can be processed.

How to Enroll or Make Changes

Enrolling as a New Hire

As a new, full-time employee, you have 60 days from your date of hire to enroll yourself and your eligible dependents in benefits offered by the County.

If you wait longer than 60 days from your date of hire to enroll, or if you initially waive enrollment, you must wait until the next annual Open Enrollment period to enroll in County-sponsored benefits, unless you have a qualifying life event (such as marriage or birth of a child).

The forms you need will be included with your new-hire packet, or you can contact the County Benefits Office for assistance.

Enrollment Reminders as a New Hire

- Enrollment forms are processed by Human Resources – Benefits staff every other week.
- You must submit all paperwork (including supporting documents) no later than 12 p.m. on Friday for an effective date beginning the next pay period.
- You must submit enrollment forms within 60 days of your hire date. Otherwise, you must wait until the next annual Open Enrollment period for your next opportunity, unless you have a qualifying life event during the year.
- Your effective date is on a go-forward basis—there are no retroactive enrollments.

Annual Open Enrollment

Open Enrollment is your once-a-year opportunity, with a few special exceptions, to make changes to your benefit elections. You'll receive an Open Enrollment packet, mailed to your home, that includes a personalized Benefits Enrollment Form and supporting materials. Be sure to review your [Open Enrollment Overview](#) that covers what you need to know and do.

If you don't make any changes to your current benefits during Open Enrollment, they will carry over into the new plan year. This includes any Health Savings Account (HSA) election you may have.

You must, however, re-enroll in any Flexible Spending Accounts (FSAs) each year—they do not carry over, per IRS rules. The FSA plan year is July 1 to June 30.

Important Dates for 2022–2023 Open Enrollment

| | |
|----------------|---|
| May 9-27, 2022 | Open Enrollment period. The San Joaquin County Human Resources – Benefits Office must receive all enrollment forms and documentation by 5:00 p.m. on Friday, May 27, 2022. Late enrollment submissions will not be accepted. |

| July 4, 2022 | Effective date for any medical, dental, or vision plan changes, or dependent changes. The 2022–2023 plan year for medical, dental, and vision coverage is July 4, 2022, to July 2, 2023. |
| July 8, 2022 | First paycheck deduction reflecting new 2022–2023 contribution rates |
| August 1, 2022 | Effective date of HSA benefit (only if you're enrolling in an HDHP effective July 4, 2022) |

Please ensure you make a copy of submitted documents for your records.

Making Changes During the Year

The benefit decisions you make as a new hire or during Open Enrollment remain in effect for the duration of the plan year. You cannot make changes to your benefits midyear, unless you experience a **qualifying life event**.

Qualifying life events include:

- Marriage or registered domestic partnership
- Divorce or termination of registered domestic partnership
- Birth or adoption of a child, or compliance with a court-issued Qualified Medical Child Support Order
- Gain or loss of other coverage, such as through a spouse's employer's group health plan
- Your dependent child reaches age 26
- The death of your dependent

You must notify the County within 60 days of the date you experience a qualifying life event, and submit the following documents to make a benefits change:

- Enrollment form
- Proof of the qualifying life event
- Required dependent documents

Changes are effective on a go-forward basis, except in the case of a newborn child, where benefits coverage is retroactive to the first coverage period following the child's date of birth. The newborn is covered under the mother's plan for the first 30 days of life.

Check your beneficiary information regularly!

It's especially important to make sure your beneficiary designation information is accurate. Update it each year during Open Enrollment or after a qualifying life event.

Medical Benefits

Types of Medical Plans

Traditional Coinsurance Plans

A traditional coinsurance plan is one where the member pays a percentage of the cost of care. You first need to meet a plan-year deductible (July to June) before the plan begins to pay a majority share of the cost, and you're responsible for the remaining, smaller percentage.

San Joaquin County offers three coinsurance plans to active employees: the **Select**, **Select Exclusive**, and **Premier** plans. These plans offer lower deductibles and annual out-of-pocket maximums but have higher bi-weekly premiums, which you pay through paycheck deductions.

Depending on the plan, you are required to visit doctors and facilities who belong to a certain plan network of providers. Keep in mind that visiting in-network providers typically means lower costs for you, as these providers agree to negotiated, discounted rates with the plan.

Health Maintenance Organization (HMO) Plans

Health Maintenance Organization (HMO) plans offer a managed care approach to in-network care, typically for a fixed cost (a flat-dollar copayment), but with less flexibility than other plans. You must select an in-network Primary Care Provider (PCP) for the HMO plans. Your PCP manages all your care and must refer you for any specialty care you may need. In some cases, if you receive care out-of-network, you're responsible for 100% of the cost, except in an emergency.

San Joaquin County offers two HMO plans: the **Kaiser HMO** and the **Sutter Health Plus HMO**.

High Deductible Health Plans (HDHPs)

HDHPs offer lower monthly premiums but have higher deductibles and annual out-of-pocket maximums than other plans. HDHPs are the only medical plans that offer a [Health Savings Account \(HSA\)](#), which is a tax-advantaged savings account for qualified medical care expenses.

San Joaquin County offers two HDHP plans: the **Kaiser HDHP** and the **Sutter Health Plus HDHP**.

Health Plan Costs

During Open Enrollment, your personalized Benefits Enrollment Form will be mailed to you. During the plan year, you can access the appropriate Benefits Enrollment Form online by choosing your appropriate bargaining group's forms. The form will show you the plans for which you're eligible and what your bi-weekly paycheck premium deductions would be for each plan.

The County pays a majority portion of the premiums for your health care benefits:

- **Medical:**

- The County pays up to 80% of the premium costs for the Select, Kaiser, and Sutter Health Plus plans.
- For the Premier Plan, the County pays a share equivalent to 80% of the Select Plan premium costs, and the employee pays the difference.
- The County contribution is the same percentage no matter what tier level (Employee only, Employee + 1, or Employee + Family).

- **Dental:**

- The County pays 100% of employee-only coverage for the Delta Dental Standard, Delta Dental Core, and UnitedHealthcare DHMO plans.

Health Savings Accounts (HSAs)

San Joaquin County offers two High Deductible Health Plans (HDHPs) with an HSA: the **Kaiser HDHP** and the **Sutter Health Plus HDHP**. According to IRS rules, health plans that offer HSAs must be HDHPs.

Your HSA account, administered by Voya, helps you save and pay for eligible health expenses—now and in the future. An HSA is a tax-advantaged bank account that can be used to pay for qualified health expenses (including dental and vision) tax-free (federal tax-free for all, state taxes apply in California).

Both eligible employees and the County may contribute to an HSA, except for Medicare enrollees and those receiving veterans benefits. When you enroll in one of the County’s HDHP medical plans, you’re automatically enrolled in an HSA account with Voya. After you enroll, Voya will send you a debit card to use for health care expenses at the point of service. The HSA account belongs to you, and any money left in your account carries over from year to year. It remains your money even if you change health plans, leave the County, or retire. You can even invest your HSA account balance, subject to minimum account balance requirements.

You and San Joaquin County make pre-tax contributions to your HSA, which you can then use to be reimbursed for qualified medical expenses now or in the future. The County contributes to the HSA account established in your name, and contributions are prorated over 26 pay periods.

The maximum HSA contribution for 2022 is \$3,650 for employee-only coverage or \$7,300 for family coverage (Employee + 1 or more). This table shows how much you may personally contribute to your HSA, after subtracting the County’s contributions from the federally mandated annual maximum:

| Coverage Tier | San Joaquin County Annual Contribution | HSA Maximum Annual Contribution* | Your Maximum Annual Contribution* |
|----------------------|--|----------------------------------|-----------------------------------|
| Employee | \$700 | \$3,650 | \$2,950 |
| Employee + Dependent | \$1,400 | \$7,300 | \$5,900 |
| Employee + Family | \$1,400 | \$7,300 | \$5,900 |

**If you're age 55 or older, you can make a catch-up contribution of up to \$1,000 in addition to your maximum annual contribution.*

Please be aware of the following:

- You do **not** need to re-enroll in your HSA each year. HSAs carry over from year to year.
- You cannot be enrolled in a Medical FSA and HSA at the same time.
- If you enroll in an HSA and have any FSA carryover funds, those FSA funds will be forfeited.
- Your HSA account will not be active until the first of the following month following enrollment in an HDHP (e.g., HDHP effective July; HSA effective August), per IRS requirements.

You can find more information about your HSA on the County’s [HSA web page](#), or contact Voya by phone at **(833) 232-4673** or email at voyasupport@voya.benstrat.com. You may access and manage your HSA through Voya’s website at voya.com/myhealthaccounts.

Flexible Spending Accounts (FSAs)

The County's Flexible Spending Account (FSA) program is administered by American Fidelity Assurance (AFA) and is no longer associated with Chimienti & Associates.

FSAs allow you to set aside money from your paycheck on a pre-tax basis to cover qualified medical and/or dependent care expenses. If you enroll in an FSA, you'll receive a debit card in the mail that you can use to pay qualified expenses at the point of service and, as a result, avoid filing claims. Alternatively, you can pay out of pocket and file a claim for reimbursement later. You're not taxed on your FSA contributions or your FSA reimbursement. That means you pay less in federal and California state income tax!

San Joaquin County offers two FSA options. You may enroll in one or both FSAs, except you may not enroll in a Medical FSA if you're enrolled in one of the County's HDHP medical plans and have an [HSA](#).

Note: You must re-enroll each year for FSAs, as required by IRS rules.

Medical FSA

- Use these funds to pay for qualified medical, dental, and vision expenses—including copays and deductibles.
- Contribution limit: \$2,850 per plan year (July 1–June 30).
- You have 90 days after the new plan year to submit any claims that were incurred during the previous plan year.
- If you have unused funds left over at the end of the plan year, you may carry over up to \$570 into the next plan year. Otherwise, you forfeit any unused funds above \$570 remaining in your account on June 30, 2023. You will also forfeit unused funds if you enroll in an HSA, as you cannot have an active HSA and FSA at the same time, per IRS rules.

Dependent Care FSA

- Use these funds to pay for day care or preschool for your child, or elder care for a dependent spouse or relative who lives with you.
- Contribution limit: \$5,000 per plan year (July 1–June 30).
- You have 90 days after the plan year to submit any claims that were incurred during the plan year.
- You will forfeit any unused funds remaining in your dependent care account on June 30, 2023. Unlike the Medical FSA, you may not carry over unused funds from year to year, so it's important to carefully plan and use your contributions for the year.

You can find more information about the FSAs on the County's [Section 125 Medical and Health Spending Accounts webpage](#).

Employee Assistance Program (EAP)

The EAP, administered by MHN, offers all employees and their family members access to 24/7 confidential counseling and support for a variety of life's challenges. San Joaquin County pays for the full cost of the EAP—it's **100% free to you and your household members**.

County employees and their family members receive up to five free, confidential problem-solving sessions with a counselor per issue, per year. The EAP can connect you with a professional to help you work through:

- Family issues
- Workplace conflicts
- Depression, anxiety, or grief
- Substance abuse

Additionally, the EAP can help you:

- Locate child care and elder care providers in your area
- Learn about next steps for identity theft recovery services
- Connect with a financial advisor to discuss retirement planning, credit score, and budgeting
- Find a lawyer to talk with you about civil, criminal, consumer, tax, estate, and family law issues
- Track your exercise and nutritional goals via MHN's online portal

For more information about your EAP benefits, visit the County's [Employee Assistance Program webpage](#).

To access EAP services, log in to [MHN's website](#) (company code: **sanjoaquin**), or call **(800) 242-6220**.

Other Benefits

Basic Life Insurance

County-paid basic life insurance is provided to full-time and part-time premium employees based on years of service. You're automatically enrolled in coverage once you reach one year of service, and your coverage automatically increases as you reach each new tier of service.

| Years of Service | Coverage Level |
|------------------|----------------|
| 1 year | \$1,000 |
| 3–5 years | \$3,000 |
| 5–10 years | \$5,000 |
| 10+ years | \$10,000 |

Supplemental Coverage

Employees in the Exempt, Senior Management, Middle Management, Sheriff's Management, Deputy Sheriffs, Sheriff's Sergeants, Correctional Sergeants, and Confidential units also receive additional life insurance in accordance with their respective MOU or Resolution.

Optional Term Life Insurance

Through Voya, you may purchase additional term life insurance, offered at group rates, in increments of \$25,000, up to a maximum coverage level of \$200,000.

If you enroll in this additional life insurance and AD&D coverage within the first 30 days of working for the County, your coverage is guaranteed up to \$100,000 without needing to provide evidence of insurability (EOI) or proof of good health. Otherwise, EOI is required for amounts over \$100,000 and for any amount after 30 days from your date of hire.

Some notes about optional term life insurance coverage:

- Enrolling in this coverage requires an application form and authorization for payroll deduction, and possibly EOI.
- Your coverage is in force for the duration of your employment with the County, as long as premiums continue to be paid.
- Your coverage is portable or convertible if you leave County employment. You would pay Voya directly (since you would no longer have a payroll deduction).
- Spouse/dependents cannot be enrolled in this coverage but can be listed as beneficiaries.

For more information on rates and the forms needed to enroll, visit the County's [Life Insurance webpage](#) or contact Voya at **(800) 955-7736**.

Your Designated Beneficiary

If you are in the County's retirement system, your beneficiary is the person you listed as your beneficiary for your retirement benefits, unless you file a Life Insurance Beneficiary Form with Human Resources designating a separate life insurance beneficiary.

Be sure to keep your beneficiary information up to date!

Deferred Compensation Plan

NEW! Effective May 2022, Nationwide will replace Empower as the County's record keeper-administrator for its Deferred Compensation Programs. You will receive a notice directly from Nationwide on how to establish access to your account. The County will also be holding Teams meetings where you can learn directly from Nationwide representatives and ask any questions you may have.

As a reminder, a Deferred Compensation plan allows you to set aside a portion of your salary, through payroll deductions, and invest it on a tax-deferred basis. That means the funds you defer aren't taxed until you retire and withdraw funds. All San Joaquin County employees are eligible to participate in the Deferred Compensation Program.

You can contribute as little as \$10 per pay period, or as much as the IRS maximum of \$20,500 per year. If you're age 50 or older, you can contribute a maximum of \$27,000 per year. If you haven't contributed the maximum allowed amount during your employment with the County, you can also make catch-up contributions prior to your retirement.

Please be aware that you can enroll in or change your contributions to the plan at any time (you don't have to wait for Open Enrollment).

In 2020, the County's Deferred Compensation Program amended its plan to allow for a loan provision.

If you wish to enroll or change your contribution amount, or borrow against your account, you can access the the appropriate documents and forms from the County's [Deferred Compensation Plan webpage](#).

You can find more information about this retirement savings vehicle on the County's [Deferred Compensation Plan webpage](#), or contact Nationwide at **(877) 677-3678**.

Note: This plan is separate and apart from the County's retirement pension plan available through [SJCERA](#).

Voluntary Insurance Benefits

As a County employee, you are eligible for a variety of optional insurance benefits, which you may elect and pay for through payroll deductions.

The following plans are administered by Chimienti and require that you schedule an appointment with a Benefits Counselor during Open Enrollment to enroll. Go to Chimienti's [Counselor Meeting Scheduler](#) to book an appointment.

Cancer Plan

This plan provides benefits that can help pay for the out-of-pocket expenses related to a cancer diagnosis and treatment. It also includes a health screening benefit.

The following plans are administered by AFA. You can make a virtual appointment with an AFA account manager to discuss your plan options, including the lower costs of these offerings (if you're currently enrolled in an AFA voluntary insurance plan).

To enroll and/or make a virtual appointment, email SanJoaquinVoluntaryBenefits@americanfidelity.com, or call **(405) 212-2486**.

Short-Term Disability Insurance

Short-Term Disability insurance provides an income supplement to you and your family if you become disabled. If a covered injury or sickness keeps you out of work for more than 14 days, your disability coverage kicks in, providing you with a benefit of up to 25% of your income, up to a maximum of \$4,000 per month. This plan pays in addition to State Disability and lasts for up to one year.

Long-Term Disability Insurance

LTD insurance offers an income supplement to you and your family if you're disabled for more than one year. If a covered injury or sickness keeps you out of work for an extended period of time, LTD coverage starts on the 366th day of your disability. The plan provides you with a benefit of up to 60% of your income, and covers you to age 65 or normal Social Security retirement age.

Accident Insurance

In the event you have an accident resulting in injuries such as broken bones, a concussion, or worse, the cost of treatment and medical supplies adds up quickly. That's where accident insurance comes in. You'll receive a lump-sum benefit when you have a covered accident—and you can use the money however you see fit.

Critical Illness Insurance

Medical care is expensive when you're diagnosed with a serious medical condition, like cancer or a heart attack. Critical illness coverage helps you cover those costs by paying you a lump-sum benefit in the event of a covered illness.

Hospital Indemnity Insurance

Hospital insurance can take the financial stress out of a hospital stay, paying a benefit that is separate from medical insurance for a covered stay in a hospital. With this coverage, you can cover out-of-pocket medical expenses and everything else that adds up, like bills, groceries, and housing expenses.

REQUIRED NOTICES

HIPAA NOTICE OF SPECIAL ENROLLMENT RIGHTS

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 60 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 60 days after the marriage, birth, adoption, or placement for adoption. To request special enrollment or obtain more information, please contact the County Benefits Office at (209) 468-9987.

IMPORTANT REMINDER TO PROVIDE THE COUNTY BENEFITS OFFICE WITH THE TAXPAYER IDENTIFICATION NUMBER (TIN) OR SOCIAL SECURITY NUMBER (SSN) OF EACH ENROLLEE IN A HEALTH PLAN

Employers are required by law to collect the taxpayer identification number (TIN) or Social Security number (SSN) of each medical plan participant and provide that number on reports that will be provided to the IRS each year. Employers are required to make at least two consecutive attempts to gather missing TINs/SSNs.

If a dependent does not yet have a Social Security number, you can go to this website to complete a form to request one: socialsecurity.gov/online/ss-5.pdf. Applying for an SSN is FREE.

If you have not yet provided the SSN (or other TIN) for each of your dependents that you have enrolled in the health plan, please contact the County Benefits Office at (209) 468-9987.

WOMEN'S HEALTH AND CANCER RIGHTS ACT NOTICE (WHCRA)

The WHCRA of 1998 requires group health plans to make particular benefits available to participants who have undergone a mastectomy. A plan must offer mastectomy patients with coverage provided in a manner determined in consultation with the attending physician and the patient for:

- Reconstruction of the breast on which the mastectomy was performed
- Surgery and reconstruction of the breast to produce a symmetrical appearance
- Prostheses
- Treatment of physical complications of the mastectomy, including lymphedemas

These benefits are subject to the same deductible, copays, and coinsurance that apply to mastectomy benefits under the plan. If you have any questions, please contact the County Benefits Office at (209) 468-9987.

PATIENT PROTECTION AND AFFORDABLE CARE ACT (PPACA) NOTICE (DOES NOT APPLY TO THE SELECT, SELECT EXCLUSIVE, OR PREMIER PLANS)

The Kaiser and Sutter Health Plus plans require the designation of a primary care provider (PCP). To select a PCP for the Kaiser health plan, visit mydoctor.kaiserpermanente.org. To select a PCP in the Sutter Health Plus plans, visit sutterhealthplus.org/providersearch. You may designate a pediatrician as the PCP for dependent children. For more information, contact the County Benefits Office at (209) 468-9987 or email employeebenefits@sjgov.org.

Members do not need prior authorization from their health plan or from any other person (including the PCP) in order to obtain access to obstetrical or gynecological care from a health care professional in the network of the member's plan who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of the participating Kaiser providers, visit mydoctor.kaiserpermanente.org. For a list of the participating Sutter Health Plus providers, visit sutterhealthplus.org/providersearch. For more information, contact the County Benefits Office at (209) 468-9987 or email employeebenefits@sjgov.org.

PRIVACY NOTICE REMINDER

The Health Insurance Portability and Accountability Act (HIPAA) of 1996 requires health plans to comply with privacy rules. These rules are intended to protect your personal health information from being inappropriately used and disclosed. The rules also give you additional rights concerning control of your own health care information.

This Health Program's HIPAA Privacy Notice explains how the group health plan uses and discloses your personal health information. You are provided a copy of this Notice when you enroll in the Plan. It is available on the County's website at sjgov.org/departments/hr/benefits.

You may also receive a Privacy Notice from companies who offer Plan participants insured health care services, such as the Kaiser and Sutter Health Plus plans. Each of these notices will describe your rights as it pertains to that plan option and in compliance with the Federal regulation, HIPAA. This Privacy Notice, however, pertains to your Protected Health Information related to the San Joaquin County Employee Benefits Plan (the "Plan").

IMPORTANT NOTICE FROM SAN JOAQUIN COUNTY ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

2022-2023 Plan Year

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the health plans offered by the County and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan, if eligible. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. San Joaquin County has determined that the prescription drug coverage provided by the Premier Plan, Select Plan, Select Exclusive Plan, Kaiser Plan, and Sutter Health Plus Plan, on average for all plan participants, is expected to pay out as much or more than the standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 through December 7. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period to join a Medicare drug plan.

What Happens to Your Current Coverage if You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan and drop your County-sponsored health plan, be aware that you and your dependents will not be able to get this coverage back. You should compare your current coverage, including which drugs are covered, with the coverage and cost of the plans offering Medicare drug coverage in your area.

In addition to your prescription drug coverage, your current coverage pays for other health expenses, and you will still be eligible to receive all your current health and prescription drug benefits if you choose to enroll in a Medicare prescription drug plan.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your coverage with a County-sponsored health plan and do not join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the next October to join.

GRANDFATHERED HEALTH PLAN UNDER THE PATIENT PROTECTION AND AFFORDABLE CARE ACT (THE AFFORDABLE CARE ACT)

The County of San Joaquin believes this Plan C is a “grandfathered health plan” under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the Plan administrator at Human Resources – Benefits Division at (209) 468-9987.
