Please read this important information:

If you are a member of a Medicare Advantage plan (like an HMO or PPO), you may already have prescription drug coverage from your Medicare Advantage plan that will meet your needs. By joining Blue Cross MedicareRx (PDP) with Senior Rx Plus, your membership in your Medicare Advantage plan may end. This will affect both your doctor and hospital coverage, as well as your prescription drug coverage. Read the information that your Medicare Advantage plan sends you, and if you have questions, contact your Medicare Advantage plan.

If you currently have health coverage from a group sponsor, joining Blue Cross MedicareRx (PDP) with Senior Rx Plus could affect your group sponsor health benefits. You could lose your group-sponsored health coverage if you join Blue Cross MedicareRx (PDP) with Senior Rx Plus. Please read the communications your group sponsor sends you. If you have questions, visit their website or contact the office listed in their communications. If there isn't information on whom to contact, your benefits administrator or the office that answers questions about your coverage can help.

IMPORTANT: Read and sign below:
