1. RECRUITMENT INCENTIVES

Upon the request of the Department Head and with the approval of the County Administrator or their designee, the following recruitment incentives may be provided.

- a. Reimbursement of moving expenses: Actual documented cost of moving to a maximum of \$8,000. Costs may include moving expenses, interim housing, and travel expenses related to the move for the candidate and their family. Any approved reimbursement shall be made contingent upon employment, in two incremental payments: the first payment after six months of service, the second after twelve months of service.
- b. Vacation Accrual Rate: The San Joaquin County vacation accrual rate consistent with the candidate's total years of public service.
- c. Sick Leave: If the candidate is leaving other employment to accept the San Joaquin County position, credit of the candidate's actual unreimbursable sick leave hours from the candidate's last public agency will be a maximum of 160 hours. Such hours shall be subject to San Joaquin County's minimum sick leave cash out provisions.

1.4 Discrimination in Employment Prohibited

No employee shall be discriminated against in any aspect of employment because of age, ancestry, color, creed, gender, gender expression, gender identity, genetic information, marital status, medical condition (cancer or genetic characteristics), military or veteran status, national origin, physical or mental disability, political affiliation or belief, pregnancy, reproductive health decision-making, race, religion, sex, sexual orientation, or any other basis prohibited by applicable federal and State law.

Any employee who believes they have been harassed or discriminated against because of any of the above reasons, may bring the matter to the attention of the supervisor or may consult with their Department Equal Employment Opportunity Coordinator. The initial contact should be made as soon as possible, but no later than 60 days after the alleged act of discrimination or harassment occurred.

The Department Equal Employment Opportunity Coordinator shall process the complaint in accordance with Civil Service Rule 20, Section 3. Informal Complaint Process.

1.4.1 American with Disabilities Act (ADA) and Fair Employment and Housing Act (FEHA)

San Joaquin County shall comply with the provisions of the ADA and FEHA. Individuals requesting reasonable accommodation(s) shall make a request to their

supervisor or manager, supported by medical certification from a medical provider. The request shall identify the specific work restrictions along with any recommended reasonable accommodation(s) needed in the workplace. The medical certification shall also specify the anticipated duration needed for the work restrictions. The manager and/or supervisor shall engage in a good faith, timely, interactive process with the employee in compliance with the ADA and FEHA. The manager or supervisor shall respond to the request in writing within 10 days of receipt of supplemental materials. Documentation and/or information received through this process is subject to confidentiality laws. Human Resources Disability Management Unit may be contacted for assistance and facilitation of the interactive process. Reasonable accommodation determinations are made at the department level.

2. INSURANCE

2.2 Effective Date of Coverage

The effective date of coverage for new employees in the health, dental, vision, and life insurance plans shall be the first day of the first bi-weekly pay period next following the date of appointment to employment as a regular employee, and the employee's submission of completed enrollment forms and supporting documentation.

Upon first becoming eligible for health insurance coverage, all eligible employees have 60 calendar days to enroll in such insurance coverage. Employees failing to enroll within the specified timeframe shall be deemed to have waived coverage under the plans and shall not be eligible. Employees who are not covered under a plan may elect to participate at the next open enrollment period, or under a Qualifying Status Change Event, as permitted under IRS regulations or other applicable laws, outside of the open enrollment period.

2.3 Medical Insurance Options

The County shall provide options for medical insurance coverage for eligible employees and dependents in one of several plans. The plans shall, at a minimum, include two plan options, a PPO and an HMO plan. The County may modify the number and type of plans available, and plan design, subject to prior notice. Medical plans offered to employees may be either self-funded by the County or fully insured. If any plan is self-funded, a plan document shall be adopted by the Board of Supervisors. Employees may opt-out of medical insurance coverage during each open enrollment period or during a Qualifying Status Change Event, by completing an Enrollment Form and selecting the "Opt Out" option. All associated documents to support Qualifying Status Change Events need to be submitted to the County within 60 days of the qualifying event.

Health plans will be renewed through an open enrollment process which will occur on an annual basis. A list of the current County plan offerings is available on the County's website (www.sjgov.org) under the Human Resources Benefits section.

2.3.1 Medical Insurance Premiums

The County shall contribute 80% of the premium and the employee shall contribute 20% of the premium for employees electing the standard PPO or the standard HMO plan options at all tier levels (employee only, employee plus one, employee plus family). Standard plans are noted on the County's website.

For employees electing the buy-up PPO plan option, the County shall contribute at the same coverage level as the standard PPO plan County contribution at all tier levels. Employees shall pay the difference between the County contribution and the full rate of the buy-up PPO plan at each coverage level.

If on Leave of Absence Without Pay — Refer to Section 2.9 — Continuation of Insurance Benefits While on Leave of Absence.

2.3.2 Coverage for Surviving Dependents

Consistent with the Federal Consolidated Omnibus Budget Reconciliation Act of 1986 (COBRA) any County employee who is covered by County-offered health insurance and who dies while employed, whether in paid or unpaid status, their surviving dependents shall be allowed to retain their dependents' coverage, provided that the dependents elect COBRA coverage and pay their applicable premiums by the due date.

2.4 Dental Insurance Options

The County shall provide an option for dental insurance coverage, to include orthodontia coverage, for eligible employees and dependents in one or more dental insurance plans. There shall be a primary dental plan and a dental health maintenance organization (DHMO) plan may also be offered. Such plans may be fully insured or self-insured by the County. The County may also offer buy-up plan options. Employees will receive the employee-only tier coverage at 100% for all dental plans, excluding any buy-up options.

The County shall pay the employee-only premium for the standard dental plans and any increases thereto. Employees will be responsible for the cost difference between the standard/core option of any plan and the buyup option. Dependent dental coverage is available at the employee's expense.

For plans with orthodontia coverage, the plan will pay 50% of actual costs. The maximum amount of orthodontia coverage is \$1200 lifetime, per enrollee and eligible dependents.

The maximum annual dental benefit per person in the primary dental plan shall be \$3,000. The DHMO has no annual maximum.

A list of current County plan offerings is available on the County's website (www.sjgov.org) under the Human Resources Benefits section.

2.5 Vision Insurance Options

The County shall provide vision insurance coverage for eligible employees and their dependents in one or more vision insurance plans. The County may also offer a buy-up plan option.

Employees will receive the employee-only tier coverage at 100% for all vision plans, excluding the buy-up option. The County shall pay the employee-only premium and any increases thereto, excluding the buy-up option. Employees are responsible for the cost difference between the standard plan and the buy-up option. Dependent vision coverage is available at the employee's expense.

2.6 Life Insurance

The County shall provide each eligible employee with life insurance coverage as follows:

- (a) At least one but less than three continuous years of service -- \$1,000.
- (b) Three but less than five continuous years of service -- \$3,000.
- (c) Five but less than ten continuous years of service -- \$5,000.
- (d) Ten continuous years of service or more -- \$10,000.

For the purposes of this subsection only, a year is defined as twelve (12) consecutive calendar months of employment.

2.6.1 Additional Life Insurance

Employees in this unit shall be provided with a County-paid term life insurance policy with a face value equal to 100% of the employee's annual salary rounded to the nearest \$1,000, up to \$75,000. The policy shall include a double indemnity accidental death and dismemberment provision.

If an employee separates from employment with a service or disability retirement, this policy shall continue through the first twelve (12) months following such separation in an amount not to exceed the lesser of the employee's annual salary or \$50,000. Such benefit will terminate at the end of sixty (60) months after separation.

Members of this unit may also purchase additional term life insurance in increments of \$25,000 to a maximum of \$200,000 at the County's rate.

2.8 Flexible Benefits

Eligible employees shall have the option to participate in a flexible benefit program (as allowed and prescribed by Section 125 of the Internal Revenue Code (IRC) and applicable IRC sections and regulations) which permits the pre-taxing of insurance

premiums, reimbursement of eligible dependent care costs, and unreimbursed healthcare expenses with pre-tax dollars.

Employees who are enrolled in a high-deductible health plan with an accompanying Health Savings Account are not eligible to enroll in the flexible benefit program under this section. See Section 2.8.1.

2.8.1 Health Savings Account

For employees who are enrolled in a Health Savings Account (HSA)-Qualified High-Deductible Health Plan (HDHP), the County will contribute \$700 per year for Employee Only and \$1,400 per year for Employee plus dependent(s) to an HSA. Funds will be deposited through the County's payroll process and sent directly to the County's approved Third Party Administrator (TPA), prorated over 26 pay periods. Employees can elect to make additional HSA contributions up to the IRS total combined (employer and employee contributions) HSA maximum contributions for single or family coverage.

Employees who are not enrolled in an HSA-Qualified HDHP or who participate in a flexible spending account as provided in Section 2.8 are not eligible for participation in an HSA under this section.

2.9 Continuation of Insurance Benefits While on Leave of Absence

a. Employees on an Approved, Protected Leave of Absence

Employees who are on an approved, protected leave of absence retain eligibility for the employer-paid premium contributions, as applicable, for medical, dental, vision, and life insurance coverage during the time of protected leave regardless of the amount of paid time. To maintain benefits, the premiums or the employee's share of the premiums (as applicable) necessary to continue their applicable insurance coverage shall be deducted from the employee's paycheck, or the employee must make arrangements with the County's Benefits office to pay the employee contribution of the premiums no later than the Monday of the County's pay week.

b. Employees on an Approved, Unprotected Leave of Absence

Employees who are on an approved, unprotected leave of absence retain eligibility for the employer-paid premium contributions (as applicable) for medical, dental, vision, and life insurance coverage during the time of approved, unprotected leave, not to exceed twenty-six (26) bi-weekly pay periods, so long as they have at least forty-one (41) hours of paid time per pay period. To maintain benefits, the premiums, or the employee's share of the premiums (as applicable), necessary to continue their applicable insurance coverage shall be deducted

from the employee's paycheck, or must be paid directly to the County's Benefit's office no later than the Monday of the County's pay week.

Employees who have exhausted accruals and are on approved leave without pay shall be allowed, at the employee's own expense, to remain under the medical, dental, vision and life insurance coverage for up to twenty-six (26) pay period provided that the employee makes arrangements to pay the applicable premiums directly to the County's Benefits office no later than the Monday of the County's pay week.

c. Employees on an Unapproved, Unprotected Leave of Absence

Employees who are absent from work on an unapproved, unprotected leave of absence (unauthorized leave) are not eligible for health benefits. Active employee benefits will be terminated and continuation of benefits will be offered through the federal Consolidated Omnibus Budget Reconciliation Act of 1986 (COBRA) through the County's COBRA administrator.

3. LEAVES FROM EMPLOYMENT

3.1 Vacation

Each employee of this unit shall accrue and accumulate vacation at the rates set forth below based on length of continuous service of such employee for each straight-time hour of paid time on payroll:

(a) Hours on payroll equal to # of full continuous bi- weekly payroll periods	(b) Hourly accrual rate	(c) Maximum bi- weekly accrual hours	(d) Approx. hours annual accrual	(e) Maximum accumul. hours

520 or more	.0885	7.080	184	488

Each Department Head shall make every possible effort to ensure that vacation time and compensatory time off is utilized by each employee at times which are mutually agreeable to the employee and the department head but, consistent with San Joaquin County Ordinance Code Section 2-5222, which states that "Vacation shall be taken at times agreeable to the department head," each department head has final authority to determine when such time off is to be utilized.

Whenever an employee's accumulation of vacation reaches its maximum as provided herein, any further vacation accrual shall be credited to such employee's sick leave accumulation until such time as the employee's vacation accumulation falls below the maximum allowed.

Except as provided in Ordinance Code Section 2-5221.5, upon reaching the maximum accumulation of vacation indicated in column (e) above, employees shall not accumulate additional vacation until such accumulation is reduced below the maximum. Leave without pay or disciplinary suspension shall delay the advancement to the next higher accrual rate until the employee has been on payroll the number of straight-time hours which is equal to the number of full continuous bi-weekly pay periods specified above.

Subject to the approval of the County Administrator, each member of this unit shall have the option of purchasing up to fifteen (15) 8-hour days of vacation time once each calendar year from the member's accumulated vacation.

3.2 Vacation Time for Illness

An employee may choose to use accrued vacation or compensatory time, if any, if the employee is absent beyond the limits of accumulated sick leave for reasons of illness, injury or quarantine, or death in the immediate family as described in Section 3.3.2.

3.3 Sick Leave

3.3.1 Sick Leave Accrual

Employees shall accrue .0462 hours of sick leave for each straight-time hour on payroll not to exceed eighty (80) straight-time hours per pay period (annual accrual rate, approximately 96 hours).

3.3.2 Sick Leave Usage

Subject to the conditions specified in this Resolution sick leave may be authorized for any of the following reasons:

- (a) Illness, injury or quarantine of the employee or immediate family member;
- (b) Diagnosis, care, or treatment of an existing health condition of, or preventive care (including dental and optical) for an employee or an employee's immediate family member.

For the purpose of this Section, immediate family means the spouse, domestic partner, child, parent, sibling, grandparent, grandchild, great grandchild, or a designated person of the employee; or of the employee's spouse or registered domestic partner.

For the purpose of this Section, designated person is defined as a person identified by the employee at the time the employee requests the use of paid sick leave. The use of sick leave for this purpose does not require that the person be related to the employee by blood or the equivalent relationship.

Employees can identify one (1) designated person each fiscal year (*i.e.* July 1-June 30) in compliance with CA Labor Code section 245.5.

- (c) Illness, injury or quarantine during an authorized vacation or on a floating holiday as evidenced by satisfactory proof attesting to the nature and length of disability. Sick leave for non-emergency medical, dental, or optical care during an authorized vacation or on a floating holiday period is not permitted.

- (d) An amount sufficient which, when added to an employee's temporary disability indemnity received under Worker's Compensation, will result in a payment to the employee not more than the employee's regular salary.
- (e) Employees who have sick leave accruals can use up to forty (40) hours of such sick leave time to bond with a newborn, a newly placed foster child, or an adopted child.
- (f) San Joaquin County will comply with applicable state and federal laws regarding the use of sick leave, including, but not limited to, CA Labor Code Section 233, 234 the Kin Care Law, and Labor Code Section 246.5 Healthy Workplace Healthy Family Act of 2014 (HWHFA), maintaining all rights and provisions that are permitted by the Labor Code.

3.3.3 Sick Leave Exclusion

An employee who is scheduled to work on a regular holiday who is absent on that holiday due to illness, injury, or quarantine shall not be permitted to use sick leave but shall be deemed to have used the regular holiday.

3.3.4 Sick Leave Verification

Employees absent from work because of illness, injury, or quarantine, or for nonemergency medical, dental or optical care shall be paid only upon furnishing the Appointing Authority or designee with satisfactory proof as may be required by the Appointing Authority or designee that the absence was due to such cause. The requirement, need and form for such verification shall be made known to the employee in advance of any absence, but no later than the time the employee calls in sick, provided that the employee has complied with departmental call-in procedures. An Appointing Authority shall not require "after the fact" verification.

If verification is requested, the requirement and the need for medical verification shall be confirmed to the employee in writing within two weeks after the employee's return, explaining the justification for the request.

3.3.6 Sick Leave Conversion

This benefit applies to all employees hired prior to August 27, 2001.

Upon separation from employment and concurrent assumption of a retired status in SJCERA, an employee may convert up to fifteen percent (15%) of accumulated sick leave to cash if the employee has more than one hundred sixty (160) hours of sick leave accumulated as of the date of separation, and provided that such conversion shall not be in such an amount so as to reduce the accumulation below one hundred sixty (160) hours. Each employee, on the effective date of this Resolution or upon entry into this unit, must elect in advance whether to convert such accumulated sick leave to cash.

Once made, this choice cannot be changed. All sick leave which is not so converted will be used to implement Section 8.4 of this Resolution.

Any amount received from conversion of sick leave under this Section shall not be considered compensation for purposes of contributions to, or benefits from, SJCERA. Such cash conversion amount shall be paid when the employee first receives monetary allowances from SJCERA.

3.3.7 Sick Leave Incentive Program

In an effort to reduce the level of sick leave usage, the County agrees to the following sick leave incentive plan.

- (1) CONDITIONS OF PARTICIPATION: An employee must be on payroll with the County during the entire calendar year to be eligible for incentive rewards.
- (2) QUALIFICATIONS AND REWARDS: Eight (8) hours of incentive leave will be granted to an employee who, at the end of each calendar year, has a sick leave balance of at least 160 hours and has used less than half of the accrued sick leave for that given year of service.
- (3) DEFINITIONS: Incentive Leave - For the purposes of this program, incentive leave will be granted at the beginning of the calendar year which follows the year in which it was earned. Furthermore, this leave will have no cash conversion value and can only be taken during the year in which it was granted. Should the leave not be used during that calendar year, it will be lost. Scheduling of this time off shall be consistent with the procedures for scheduling compensatory or vacation time. In all instances, it shall require mutual agreement of the employee and the department head or designee.

3.4 Holidays

The maximum value of any holiday (regular or floating) is eight (8) hours.

3.4.1 Regular Holidays

The following days are established as regular holidays:

In addition to regular salary, any employee who is required to work on a regular holiday shall have the option of being compensated for the hours worked on such holiday by:

- (1) cash payment at the rate of one and one-half (1-1/2) times such employee's hourly base salary, or
- (2) the accumulation of regular holiday time at the rate of one and one-half (1-1/2) hours for each hour worked.

Any employee whose regularly scheduled day off falls on a regular holiday shall be entitled to accrue eight (8) hours of regular holiday time.

3.4.2.4 Maximum Regular Holiday Time Accrual

The maximum regular holiday time accrual shall be sixty (60) hours. Such regular holiday time off shall be scheduled at a time mutually agreeable to the employee and the Department Head.

Such floating holiday time off shall be scheduled at a time mutually agreeable to the employee and the department head. County offices and departments shall remain open for business on any day deemed to be a floating holiday and employees who elect to accumulate floating holiday time shall receive their regular compensation for working on the holiday.

Any employee whose regularly scheduled day off falls on a floating holiday shall accrue floating holiday time as provided in this Section.

3.5 Bereavement Leave

The County shall provide up to five (5) days of bereavement leave to employees who suffer the death of a qualifying family member. For the purposes of this section, up to five (5) days of bereavement leave is protected leave under the California Family Rights Act (CFRA). This leave is separate and distinct from the twelve weeks of leave permitted under CFRA (see Section 3.9).

Employees may be allowed to be absent with pay for three (3) scheduled County work days for each qualifying family member who dies. Employees will be paid only for days and hours they were scheduled to work.

A qualifying family member is:

- a. Spouse or registered domestic partner
- b. Child (natural, adopted, step-child, foster, legal ward, or child to whom the employee stands in loco parentis)
- c. Parent or parent-in-law (natural, adopted, step-parent, foster parent, legal guardian, or person who stood in loco parentis when the employee or employee's spouse or registered domestic partner was a minor child)
- d. Grandparent or great-grandparent of the employee or the employee's spouse or registered domestic partner
- e. Grandchild or great-grandchild of the employee or the employee's spouse or registered domestic partner
- f. Sibling or sibling-in-law of the employee or the employee's spouse or registered domestic partner

In addition, employees may use two (2) days of accrued leave for the death of a qualifying family member as described above. The employee may elect to use any available leave accruals for the two (2) days, including sick leave. If no accrued leave is available, the employee may take leave without pay.

Bereavement leave may be taken intermittently and does not need to be consecutive. All bereavement leave must be used within three (3) months of the death of the qualifying family member. The three (3) months may be extended under extenuating circumstances as determined by and with the approval of the Department Head, but shall not exceed one year.

Proof of death of the qualifying family member is required. Acceptable documents include, but are not limited to, death certificates, obituaries or signed verifications from funeral homes/mortuaries, or other documents deemed acceptable by management. Documents may be source verified.

San Joaquin County will comply with the California Family Rights Act (CFRA), maintaining all rights and provisions that are permitted by state law. This does not imply a greater right to bereavement leave other than what is required by law or otherwise stated in this Resolution.

3.7 Military Leave

The following procedures and restrictions shall apply to military leave:

- (a) To be eligible for paid military leave, an employee must have at least twelve (12) months of qualifying service immediately prior to the leave. Qualifying service is continuous and consecutive County service or recognized military service. Recognized military service is defined as full-time service in the armed forces during a national or state emergency. Generally, recognized military service would be that during World War II, the Korean War, the Vietnam Conflict, or any conflict for which an expeditionary medal was awarded. This time requirement does not apply to declared emergency situations. Under such emergencies, any employee ordered to active duty is eligible for paid temporary military leave.
- (b) Temporary military leave with pay can be authorized for eligible employees only when they are ordered to active duty.
- (c) Weekend drills are not active duty. Departments will make reasonable attempts to change an employee's schedule to allow for off-duty attendance at monthly drills. If such accommodation is not possible, the employee may use leave as specified in (k).
- (d) A copy of the employee's order to active duty must accompany any military leave with pay.

- (e) Paid temporary military leave can be authorized for a maximum of thirty (30) calendar days in each fiscal year pursuant to Military & Veterans Code §395.01, et seq.
- (f) Upon expiration of the thirty (30) calendar days of paid military leave as set forth in subsection (e), the County shall pay the difference between the eligible employee's regular County salary, if the employee's military pay is less than the employee's regular salary.
- (g) The County shall continue to provide employee and dependent medical, dental and vision benefits, if applicable consistent with regular employment and subject to payment of employee premiums, if any, of such coverage.
- (h) The eligible employee's military service shall be considered as paid employment for purposes of benefits under the County's retirement system subject to the payment of the employee contribution for periods of continuous military leave.
- (i) In calculating leave, holidays (floating or regular) which occur during an employee's military leave will be charged as holidays used rather than military leave.
- (j) All other calendar days encompassed by the order will be counted as military leave whether normally scheduled days or days off.
- (k) Employees will not be denied the right to use leave to attend active or inactive military duty. If the employee is not eligible for temporary military leave with pay, the employee may request a leave of absence without pay or use accrued vacation, holiday (floating or regular), or compensatory time off.

3.8 General Unprotected Leaves of Absence

Leaves of absence identified in this section may be granted to employees.
