## SBA Offers Disaster Assistance to California Businesses and Residents Affected by the San Pablo Avenue Fire

**SACRAMENTO, Calif.** – Low-interest federal disaster loans are available to California businesses and residents affected by the San Pablo Avenue Fire that occurred March 27, 2017, U.S. Small Business Administration’s Administrator Linda McMahon announced today. SBA acted under its own authority to declare a disaster in response to a request SBA received from Gov. Edmund G. Brown, Jr.’s designated representative, Mark S. Ghilarducci, director of the Governor’s Office of Emergency Services on April 10.

The disaster declaration makes SBA assistance available in Alameda, Contra Costa, San Francisco, San Joaquin, San Mateo, Santa Clara and Stanislaus counties.

“SBA is strongly committed to providing California with the most effective and customer-focused response possible, and we will be there to provide access to federal disaster loans to help finance recovery for businesses and residents affected by the disaster,” said McMahon. “Getting our businesses and communities up and running after a disaster is our highest priority at SBA.”

“Low-interest federal disaster loans are available to businesses of all sizes, most private nonprofit organizations, homeowners and renters whose property was damaged or destroyed by this disaster,” said SBA’s San Francisco District Director Mark Quinn. “Beginning Monday, April 17, SBA representatives will be on hand at the following Disaster Loan Outreach Center to answer questions about SBA’s disaster loan program, explain the application process and help each individual complete their application,” Quinn continued.

The center will be open on the days and times indicated below. No appointment is necessary.
