

# TEMPORARY ROAD CLOSURE

SAN JOAQUIN  
COUNTY  
Greatness grows here.

STARTING SATURDAY, AUGUST 16, 2025, FOR UP TO TWO (2) DAYS

## BENJAMIN HOLT DRIVE WATER MAIN REPLACEMENT PROJECT

The intersection of **Benjamin Holt Drive and Pershing Avenue** will be **temporarily closed** for up to two days beginning **Saturday, August 16**, due to water main construction.

Drivers will be directed to use **Lincoln Road, Pacific Avenue, Swain Road, and Alexandria Place** as alternate routes around the construction zone. The scheduled intersection closure will also be communicated in advance through changeable message signs.

We value your patience and cooperation while we strive to complete the project as efficiently as possible.

This project will replace an aging water main line.

For more information, please contact **Awni Taha, Engineering Services Manager**, at **(209) 468-3036** or **ataha@sjgov.org**
