Attention: Mr. Robert G. Schramek

Gentlemen:

Subject: Corner Record Parcel A, PM 1-116

Pursuant to our conversation of May 31, 1985, this letter will serve as a Corner Record for the purpose of replacing or re-establishing monuments under Sections 8765 and 8773 of the Land Surveyor's Act.

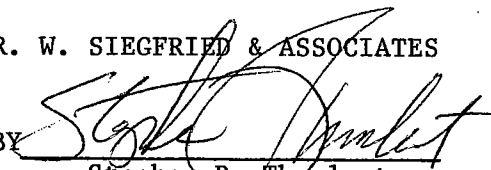

In May of 1985, we performed an ALTA Survey of Parcel A, as shown on the Parcel Map, filed for record in Book 1 of Parcel Maps, at Page 116, San Joaquin County Records. In the course of that survey, we did not find the monuments at the northwest and northeast corners of Parcel A. New monuments were set. New monuments were also set at the southeast and southwest corners of Parcel A, replacing the two 3/4" iron pins set as the northeast and northwest corners of Parcel 1 on the Parcel Map, filed for record in Book 7 of Parcel Maps, at Page 183.

The new monuments set are concrete pillars, four (4") inches in diameter, five (5') feet long with a brass disk set in the top, stamped RCE 8189.

Very truly yours,

R. W. SIEGFRIED & ASSOCIATES
