

SJCars Description

- Car Sharing pilot project
- Internet based reservation system
- Key manager
- Vehicle controls

- Reduces County costs
- Increases use of vehicles
- Reduces amount of vehicles needed
- Users can depend on vehicle availability
- Several departments can share one pool

SJCars System Overview

- Driver makes reservation online at *SJCars* website
- Enters access code at Key Manager
- Key Manager dispatches keys
- Vehicle is used for trip
- Keys are returned to Key Manager
- Department is charged for single trip

SJCars System Operation Reservation site address: http://ushost2.invers.com/sjc

Key Manager at Public Works Admin near rear entrance

Enter access code into Key manager

Key Manager will prompt user to open door

Remove keys at flashing green light

Please shut the door after removing keys!

SJCars are parked in designated spaces

Locate your vehicle and enter

SJCars vehicle control should flash amber, green, or blue lights A solid red light indicates a fault and vehicle will not operate

Using vehicle and returning

- Start vehicle and proceed on trip
- Plan your trip to return on time
- Please fill fuel tank if less than ½ full
- Return vehicle to *SJCars* parking space
- Return keys to Key Manager

Enter access code into Key manager

Key Manager will prompt user to open door

Return keys to any open slot

Please shut the Key Manager door System will provide trip data upon closing
