

# Pavement Rehabilitation Work to Resume

## BENJAMIN HOLT DRIVE PAVEMENT REHABILITATION PROJECT

Due to the proximity of **Interstate 5**, certain construction activities on **Benjamin Holt Drive, from Plymouth Road to Belmont Place**, will be scheduled on **Sundays** to minimize impacts to residents and motorists.

These Sunday activities are planned for **March 22 and March 29**, with additional Sundays scheduled if necessary. **No work will occur on Easter Sunday or the day before.** Other project work, including placement of the final layer of asphalt concrete, is expected to resume on or around March 30<sup>th</sup>.

### What to Expect:

- Advance notice of Sunday work will be provided using changeable message signs and 'No Parking' signs.
- Driveway access will be temporarily restricted during pavement removal and resurfacing; however, full access will be restored by the end of each work shift.
- **On March 22<sup>nd</sup>, two-way traffic will be maintained through the work zone;** however, significant delays are expected. Drivers are encouraged to use alternate routes.
- **On March 29<sup>th</sup>, the westbound lane within the work zone will be temporarily closed,** with a posted detour.

**Please refer to the back of this flyer for additional details about the work zone and recommended alternate route/detour for each scheduled Sunday work activity.** We appreciate your patience and cooperation.

For more information, please contact **Francisco Salcedo, Resident Engineer**, at **(209) 468-3014** or **fsalcedo@sjgov.org**
