

# PROJECT SCHEDULE UPDATE

## BENJAMIN HOLT DRIVE PAVEMENT REHABILITATION

**Due to forecasted rain next week, major grinding and paving operations on Benjamin Holt Drive will continue through Monday, March 30, 2026.** All remaining paving and miscellaneous work will proceed thereafter, weather permitting.

### What to Expect:

- Advance notice of work will be provided via changeable message signs and “No Parking” signs.
- Driveway access will be temporarily restricted during pavement removal and resurfacing, but will be restored by the end of each work shift.
- **Saturday, March 28:** Work will proceed under traffic control, with both directions of travel maintained.
- **Sunday, March 29, and Monday, March 30:** The westbound lane within the work zone will be temporarily closed, with a posted detour.

Please see the back of this flyer for additional work zone details and the recommended alternate route/detour for this Sunday and Monday. Thank you for your patience and cooperation.

# WORK ZONE AND TEMPORARY TRAFFIC CONTROL

TEMPORARY DETOUR FOR WESTBOUND TRAVEL: SUNDAY, MARCH 29, AND MONDAY, MARCH 30

Work Zone/  
Segment to be  
Reconstructed
