This aerial map illustrates the proposed transit alignment for Fresno Ave, spanning the boundary between San Joaquin County and the City of Stockton. The map includes the following details:

- Geographic Context:** The map shows the intersection of Fresno Ave with Scotts Ave to the west and Church St to the east. Major transportation corridors include BNSF RR to the west, EB SR 4 and WB SR 4 to the east, and the HMA DiKE along the northern edge of the project area.
- Proposed Alignment:** The proposed transit alignment is shown as a red line with a dashed centerline, running east-west along Fresno Ave. It includes a 4' path on the north side and a 4' path on the south side.
- Existing Infrastructure:** Existing infrastructure includes existing ditches (labeled "Exist Dwy"), an abandoned PG&E gas line, and existing 6' SW (Sanitary Waste) lines. A street light and RRFB (Railroad Crossing Advance Warning) are also indicated near Church St.
- City and County Boundaries:** The map clearly delineates the boundaries between San Joaquin County (to the north) and the City of Stockton (to the south).
- Other Features:** A north arrow is located in the upper right corner. The map also shows various other features such as the "CITY OF STOCKTON SAN JOAQUIN COUNTY" boundary line, "CITY OF STOCKTON" labels, and "SAN JOAQUIN COUNTY" labels.
