

TEMPORARY ROAD CLOSURE STARTING MONDAY, SEPTEMBER 26TH

BYRON ROAD & WEST GRANT LINE ROAD ROUNDAABOUT PROJECT

Starting on Monday, September 26, 2022, West Grant Line Road will be closed to through traffic to facilitate construction of the new permanent roundabout at the Byron Road and West Grant Line Road intersection. Byron Road will remain open during construction.

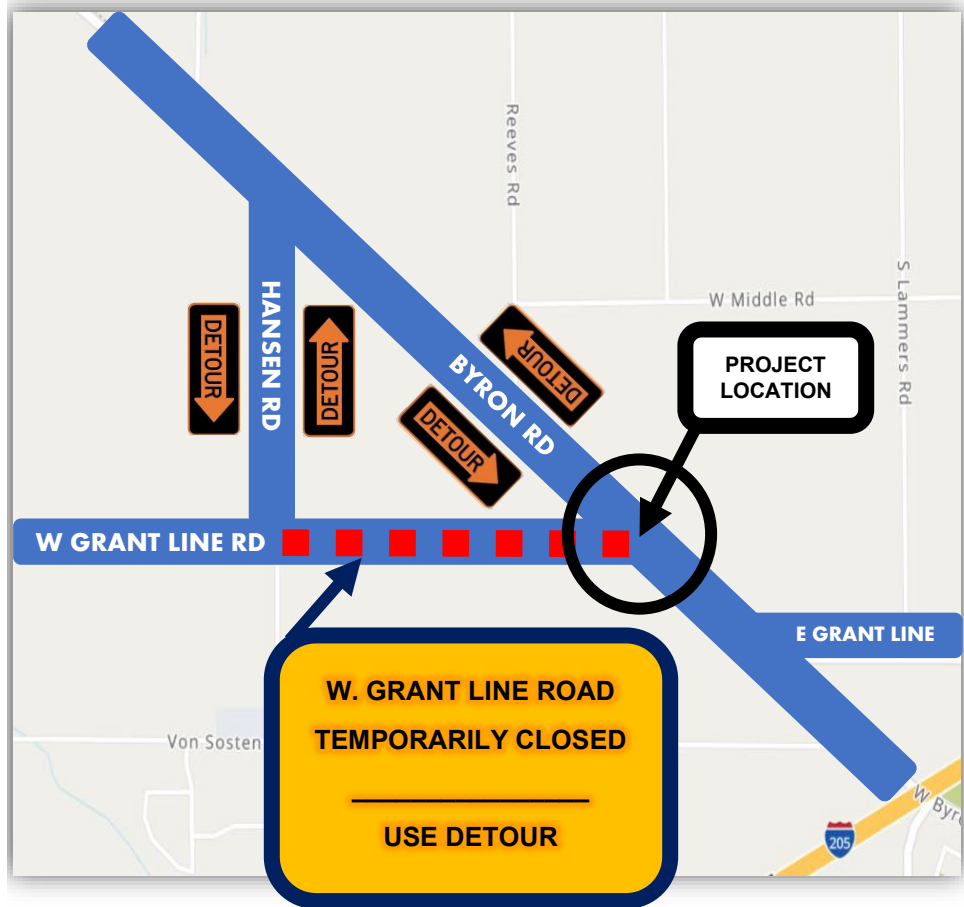

Detour signage will be installed to direct drivers to use **Hansen Road (North of West Grant Line Road) and Byron Road** around the construction zones.

The existing roundabout was constructed using readily available modular material. The new permanent facility will include enhanced features such as raised concrete medians and center island, a traversable concrete truck apron, street lighting, separated pathways for bicycles and pedestrians, and low-maintenance hardscaping.

Construction activities will be performed Monday through Friday, from 7 am to 7 pm, with occasional work on the weekend. Construction is expected to be completed by December 2022.
