

San Joaquin County is planning to replace the existing Peltier Road Bridge across Mokelumne River.

Join us for a public information meeting on September 15, 2026 from 6:00 - 8:00 p.m. at the Woodbridge Fire Station (400 E. Augusta Street, Woodbridge, CA) to learn about the project and have your questions answered. A brief presentation will be made by the County's representatives and other project team members.

We look forward to seeing you there. See reverse for more information.
