

Country Club Boulevard Complete Streets Project

For more information, contact Dennis Lechich at (209) 468-8398 or dlechich@sjgov.org

Project Description:

The San Joaquin County Department of Public Works (SJCDPW) will be soliciting proposals from qualified engineering consulting firms (CONSULTANT) to provide engineering services for the Country Club Boulevard Complete Streets Project (PROJECT). The CONSULTANT will design and engineer approximately 1.12 miles of Country Club Boulevard into a "complete streets" corridor, from Plymouth Avenue to Pershing Avenue. The purpose of the project is to enhance and promote active transportation (biking and walking) in the area. The requested services will include public outreach coordination, full design plans, Right-of-Way Survey and coordination, topographic survey, curb, gutter and sidewalk, and other pedestrian and traffic enhancement design.

Services Needed:

- Public Outreach Coordination
- Environmental Clearance Support
- Right-of-Way Survey and Topographic Survey
- Utility Coordination and Relocation Plans
- Curb, Gutter, Sidewalk Design
- Plans, Specifications and Engineer's Estimate (PS&E)
- Cross Sections for Driveway, Curb, Gutter & sidewalk Improvements

Projected Solicitation Start Date: November 2026
