

What You Need To Know... Before You Go!

Foothill Sanitary Landfill

Loveland Materials Recovery Facility & Transfer Station

North County Recycling Center & Sanitary Landfill

TARPING/COVER REQUIREMENTS:

All delivered loads must be properly covered and secured. Loads that are not covered and secured will be charged double the normal disposal rate.

HAZARDOUS MATERIALS:

Spring cleaning or just clearing out the garage? While County Solid Waste Facilities are happy to help with the disposal of old junk and trash, hazardous materials are banned from the landfill.

Hazardous materials include:

- Paint
- Household cleaners/Chemicals
- Batteries
- Automotive fluids
- Fluorescent bulbs
- Mercury devices
- Pool chemicals
- Pesticides/Fertilizers

Hazardous materials require special handling and must be disposed of in an environmentally safe manner. Residents can take these materials to the county's Household Hazardous Waste (HHW) Facility FREE of charge. See back panel for additional details.
