## An Official Message From the San Joaquin County Registrar of Voters

Dear San Joaquin County Voter,

Thank you for being a registered voter! Your participation in elections ensures that your voice is heard in decisions affecting your community and day-to-day life, including proposed laws and local, state, and national candidates.

This County Voter Information Guide is provided for your review to help you prepare for the Tuesday, June 2, 2026, Statewide Direct Primary Election. The included sample ballot may be used for practice to reduce errors on your official ballot. All eligible registered voters will be mailed an official ballot no later than May 4, 2026.

Additional details are available in the State Voter Information Guide, which will be mailed separately and posted online at [www.voterguide.sos.ca.gov](http://www.voterguide.sos.ca.gov)

**Candidate Statements:** Statements are submitted voluntarily by candidates and printed at their expense. They are not edited after submission. For a complete list of candidates, see the sample ballot in this guide (Elections Code §13312(a)).

**Congressional Boundary Changes for 2026:** With the passage of Proposition 50, California adopted new legislatively drawn U.S. House district maps for elections from 2026 through 2030. As a result, some San Joaquin County voters will be assigned to different congressional districts in this election.

**No Wrong Location:** A countywide voting model that allows San Joaquin County voters to vote at any polling place in the county, regardless of assigned precinct.

**Sign, Scan, and Go:** A streamlined in-person voting process that allows voters to check in quickly and proceed directly to cast their pre-mailed vote-by-mail ballot.

**Adopt-a-Poll:** A community partnership program enabling businesses, organizations, or families to sponsor and help staff polling locations. More information can be found at [www.sjgov.org/adopt-a-poll](http://www.sjgov.org/adopt-a-poll)

**Text-to-Cure:** A secure new process that allows voters to receive a text message notification and resolve challenged signature issues online before the deadline.

For assistance, call (209) 468-VOTE (8683) or email [registration@sjgov.org](mailto:registration@sjgov.org)

Sincerely,

A handwritten signature in cursive script that reads "Olivia Hale".

# ELECTION SECURITY

In San Joaquin County we use the Verity Voting system, developed by Hart InterCivic. The Verity Voting system is a certified and widely used voting solution in California. The Verity Voting system is designed to meet rigorous security and accessibility standards. It supports multiple voting methods, including in-person voting at polling locations, as well as mail-in ballots. The system includes an independent voting experience for individuals with disabilities.

The KNOWiNK Poll Pad is used to modernize and streamline the voter check-in process at polling locations. These electronic poll books have replaced traditional paper poll books, reducing wait times and improving the accuracy of voter records.

The Verity system has undergone extensive testing and certification by the California Secretary of State's Office of Voting Systems Technology Assessment (OVSTA). These evaluations cover aspects such as security, usability, and functionality. The KNOWiNK Poll Pad has been certified for use in California and is employed across various counties to improve the efficiency and reliability of elections.

The California Secretary of State's Office oversees the certification process to ensure that both systems meet the State's stringent security and functionality standards.

# TRUSTED SOURCES OF INFORMATION

# VOTING IN A PRIMARY

## WHAT IS A TOP-TWO PRIMARY?

On June 8, 2010, California voters approved Proposition 14, which created the Top-Two Open Primary Act. Under this system, all candidates for a voter-nominated office appear on the same ballot, regardless of party preference. Voters may choose any candidate, regardless of their own party registration. The two candidates who receive the highest number of votes in the primary election advance to the general election, regardless of party preference.

## DO ALL OFFICES ON THIS BALLOT FOLLOW THE TOP-TWO RULES?

No. The top-two primary applies to most voter-nominated offices, including: U.S. Senate and U.S. House of Representatives, Statewide offices (such as Governor), State Legislature (State Senate and State Assembly) and Board of Equalization. It does not apply to presidential elections, party central committee elections, or certain local offices.

## CAN THE TOP-TWO CANDIDATES BE FROM THE SAME PARTY?

Yes. The two candidates advancing to the general election may have the same party preference, different party preferences, or no party preference.

## WHO CAN VOTE?

<b>STATE TOP-TWO PRIMARY</b> (Nominated by voters)	All voters may vote for any candidate, regardless of party preference.
<b>NON-PARTISAN PRIMARY</b> (County and local offices)	All voters may vote for any candidate, regardless of party preference.

## WHAT IS THE RESULT OF EACH TYPE OF PRIMARY ELECTION?

<b>STATE TOP-TWO PRIMARY</b> (Nominated by voters)	The two candidates with the most votes move on to the general election, regardless of party preference.
<b>NON-PARTISAN PRIMARY</b> (County and local offices)	A candidate who receives more than 50% of the votes cast is elected. If no candidate receives a majority, the top two candidates advance to the general election.

## WILL PARTY AFFILIATION SHOW ON THE BALLOT?

<b>STATE TOP-TWO PRIMARY</b> (Nominated by voters)	The candidates' party preference (or "No Party Preference") is listed on the ballot.
<b>NON-PARTISAN PRIMARY</b> (County and local offices)	Party preference does not appear on the ballot.

## WHICH OFFICES ARE UP FOR ELECTION IN EACH TYPE OF PRIMARY?

<b>STATE TOP-TWO PRIMARY</b> (Nominated by voters)	U.S. Senator, U.S. Representative, Statewide offices (such as Governor), State Legislature and Board of Equalization.
<b>NON-PARTISAN PRIMARY</b> (County and local offices)	County Supervisor, District Attorney, Auditor-Controller, Treasurer-Tax Collector, Superior Court Judge.

## CANDIDATE STATEMENT OF QUALIFICATIONS

A complete list of candidates for the offices you are eligible to vote on based on your residence is provided on your sample ballot. Some of these candidates have chosen to include a Candidate Statement of Qualifications outlining their qualifications for the position. Candidates must pay for these optional statements unless the governing body has chosen to cover the cost. All Candidate Statements are printed exactly as submitted. Information about candidates for statewide offices can be found in the State Voter Information Guide. The following state legislative candidates have accepted the voluntary campaign expenditure limits and are eligible to submit a Candidate Statement for printing in the county voter information guide:

- Tom Patti
- Rhodesia Ransom
- Jim Shoemaker

## WRITE-IN CANDIDATES

On election day, the list of approved write-in candidates will be available at all polling locations and on our website: [www.sjcrov.org](http://www.sjcrov.org). Votes will only be counted for officially recognized write-in candidates.

## MEASURES

On your ballot and on this guide, only measures that are relevant to the district in which you are registered to vote will be included. There may be arguments in favor or against selected measures. These arguments are the exclusive opinions of the authors. All measures and arguments are printed exactly as submitted.

# INSTRUCTIONS FOR VOTING

## **How to mark your ballot:**

Use blue or black ink ONLY.

You do not have to vote on every contest. It is okay to skip some and just vote on the ones you care about.

To vote for a measure, fill in the box next to the word “Yes” or “No”.

To vote for a candidate, fill in the box next to the candidate’s name.

## **Write-in candidates:**

To vote for a qualified write-in candidate, write the candidate’s name in the blank space provided and fill in the box next to it.

## **Fixing mistakes on your ballot:**

If you make a mistake, either draw a line through the unintended choice and mark the box you want to vote on, or you may request a new ballot.

A mistake in one contest does not affect the rest of the voted ballot.

## **Avoid an overvote:**

Read each race carefully, do not select more candidates than the number that is specified for that contest.

**Candidate Statements for  
United States Representative in Congress, District 5**

**TOM MCCLINTOCK**

**Occupation:** United States Representative

**Qualifications:** I am proud to have the full support of President Trump in this election, and the official endorsement of the Republican Party. There's a reason for that: I have stood with the President as we drafted the greatest tax and regulatory relief in history – reforms that families should soon be seeing in their take-home pay and an expanding economy.

Last year, Citizens Against Government Waste gave me its highest rating for my efforts to rein in wasteful spending and my leadership to abolish outrageous congressional earmarks. The National Taxpayers Union and the American Conservative Union, second amendment and pro-life groups have consistently rated me at or near the top among members of Congress.

As chairman of the Immigration Sub-Committee, I have guided legislation through the House to enact President Trump's border security measures and to assure that no President can ever again open our borders to millions of unvetted and illegal migrants.

My long fight to cut through the red tape preventing forest management and water development is now coming to fruition in bills making their way to the President's desk.

My philosophy can be summed up in four words: "Freedom Rocks. Socialism Sucks." It has been a privilege to represent the people of this district for many years, and I humbly seek your support to continue this fight at a critical turning point in our nation's history. Please visit my website at [tommclintock.com](http://tommclintock.com).

**MICHAEL J. "MIKE" BARKLEY**

**Occupation:** Lawyer/Accountant/Programmer

**Qualifications:** Dear friends and neighbors, I am a lawyer, inactive CPA, computer programmer, rancher with wildfire issues, Navy veteran, and activist in local government, water, flooding and environmental issues. My mix of skills makes me uniquely suited to represent you in Washington. Please see my platform on my web sites, [mikebarkley4congress.com](http://mikebarkley4congress.com) or [mjbarkl.com/run.htm](http://mjbarkl.com/run.htm) - My specific proposals on my platform will solve many problems and save many lives in this state and country.

Major goals: Rescue/rebuild our Republic; Strengthen wildfire and casualty insurance protections; Strengthen womens rights and Right to Choose; Restore voting rights; Strengthen labor; Reverse global warming; Reverse the Billionaire Tax Cut, Trump's BB Bill, and balance the budget; Add Medicare for All; Protect repressed communities, Restore DEI; Repair what Congress did to cause homelessness and soaring rents (Tax Reform Act of 1986, Faircloth Amendment of 1998 and housing subsidy cuts, 2008 limits on low-income housing loans including by Dodd-Frank); solve affordability and food deficits; Add 43,000,000 acre-feet of water storage and solve California floods and Western U.S. droughts see [mjbarkl.com/floods.txt](http://mjbarkl.com/floods.txt) and [floods.htm](http://mjbarkl.com/floods.htm); reduce New Melones risk; improve gun safety;

I have met more than 100,000 of you at your front doors over the past decade. I live near most of you. My home email, phone, and home address are on my web pages. Please email me questions and comments you might have or invite me over for a chat. I need your vote, please vote for me.

Thank you, best wishes, Mike Barkley

**Candidate Statements for  
United States Representative in Congress, District 7**

**DORIS MATSUI**

**Occupation:** U.S. Representative

**Qualifications:** I believe results still matter, and I am committed to standing up for families and communities in our region in Congress. My life work is witness to the belief that government can make a profound difference in people's lives.

My story began in a World War II internment camp, where my family was forced from our home simply because we were Japanese American. We rebuilt our lives on a small Central Valley farm and through California's public schools. That experience shaped my commitment to fighting injustice and for opportunity for all.

In Congress, I've delivered real results: securing billions to strengthen our levees and protect families from catastrophic flooding; expanding access to affordable healthcare and mental health services; bringing good paying jobs to our region; and investments in roads and transit so you can get to work and get your kids to school. I've also fought for federal resources to address homelessness and increase housing affordability, because safe housing and safe streets are essential for strong communities.

While others chase headlines, I focus on the deadlines that move projects forward and bring resources home.

And during this time of unprecedented attacks against our democracy, I've stood up for reproductive freedom, environmental protections, and civil rights, including for immigrants targeted by ICE.

My commitment in public service has always been to leave our community stronger for generations to come. I love this region and remain committed to showing up, solving problems, and delivering for you. I respectfully ask for your vote.

**ROBBY MORIN**

**Qualifications:** I'm a small business owner running to be your representative in California's 7th Congressional District. My goal is simple: build a country we can afford.

I am very proud to be born and raised in Sacramento, to build and run a successful manufacturing company here that employs amazing people who come together everyday to build cool stuff. I know what it means to build a strong business in this economy, to worry about making payroll each week, manage rising costs, and succeed against the odds.

At various times in my life I have made minimum wage, struggled to make rent, or had to choose between health insurance and the electricity bill. Grasping the American dream is getting harder each year and I believe one thing with all my heart: in order for our country to succeed, we must address the rising costs plaguing our lives.

We can do this by becoming a nation that builds.

First, we build homes, lots of them. Build a healthcare system that protects us and supports us when life throws a curveball. Build a government that actually delivers for the people it represents with accountability, transparency, and accessibility.

Most importantly, we must demand results and elect leaders capable of rethinking what the government can do for you. We need representatives in Congress who understand the problems we face and are not afraid to tackle them head on. I humbly ask for your vote so that I can get to work for you. **MAI VANG**

**Age:** 41

**Occupation:** Teacher, Sacramento City Council

**Qualifications:** I'm Mai Vang, and I'm running for Congress because career politicians and the status quo have failed to protect our working families. We deserve a leader who actually fights for us. It's time for change.

I'm the daughter of refugees, the eldest of 16, a mother, a teacher, and married to the son of Mexican immigrants. I grew up on Medicaid and food stamps. I know what it's like when politicians make promises to families and don't follow through.

I became a teacher to give young people more opportunities. On Sacramento City Council, I fight for the people politicians ignore. I turned down a pay raise and voted to protect city workers from budget cuts instead. I opened the region's largest vaccination clinic, saved our local libraries from closing, and secured millions for children and families.

I'm running for Congress because too many families in our region struggle to pay bills while Washington wastes our money on endless wars and tax breaks for billionaires. I'll fight to bring down the cost of rent, groceries, and medical bills. I'm not taking a dime from corporations so you can trust that I'll be accountable to working people and your needs. I will take swift action to protect our community because too many of our neighbors are living in fear.

We need a new generation of leaders willing to fight like our lives depend on it. I'm asking for your vote. Learn more at [MaiForUs.com](http://MaiForUs.com)

**Candidate Statements for  
United States Representative in Congress, District 8**

**JOHN GARAMENDI**

**Occupation:** Member of Congress

**Qualifications:** Experience matters. Because of my seniority in Congress, I helped protect Travis Air Force Base from being converted into an ICE detention facility and secured critical federal investments for our region.

I helped pass the Infrastructure Investment and Jobs Act to repair Interstate 80 and local highways, expand public transportation, and rebuild water and sanitation systems. I secured \$223 million for Contra Costa County schools and \$45 million for Solano County schools. I helped pass the American Rescue Plan, delivering tax relief and direct support to working families and local communities.

I am leading efforts to strengthen American manufacturing through my SHIPS Act to expand domestic shipbuilding and good-paying union jobs. I am working to establish the I-80 Bio Research and Manufacturing Corridor to create high-quality jobs here at home.

I will continue working to lower prescription drug costs, protect affordable health care, strengthen public education, secure our border while ensuring a humane immigration system, protect voting rights, and defend our democracy.

I will continue building a stronger economy and a more affordable future for Solano, Contra Costa, Yolo, Sacramento, and San Joaquin counties.

United States Representative in Congress, District 13**

<p><b>KEVIN LINCOLN</b> <b>Occupation:</b> Small Businessman</p> <p><b>Qualifications:</b> Washington, DC, is broken, and Valley families are paying the price. Grocery bills, gas prices, and rent keep climbing while career politicians do nothing. I've had enough.</p> <p>In the Marines, we had a saying: No one is coming to save you. You handle the mission yourself, and that's why I'm running for Congress. I'm Kevin Lincoln, a proud Republican, U.S. Marine veteran, and a lifelong Valley resident who wants to fight for a stronger America.</p> <p>I'm a political outsider who got involved because we needed someone to take charge and lead.</p> <p>As Mayor, I defeated a progressive, woke politician who put radical liberal politics over people, and we turned the city around. We created jobs, lowered crime, balanced budgets, and got people off our streets.</p> <p>I delivered results, and that's why I've earned the endorsement of President Donald Trump to help fix Congress.</p> <p>Congress is full of career politicians who bow to special interests and enrich themselves rather than serve the American people. I took an oath to defend this country as a Marine, and I'll honor that same oath in Congress.</p> <p>I'll work with President Trump to lower taxes and make groceries, gas, and utilities more affordable.</p> <p>I'll stand up to a radical woke agenda that's being forced on our children.</p> <p>I'll back law enforcement and end soft on crime policies that endanger our families.</p> <p>The Central Valley needs a Marine in Congress, not another politician. I'm Republican Kevin Lincoln, and I would be honored to earn your vote.</p>	<p><b>ADAM C. GRAY</b> <b>Occupation:</b> United States Representative - Educator</p> <p><b>Qualifications:</b> I was born and raised in the Central Valley, where my family has lived and worked for generations. I grew up here, attended local schools, and learned the values of hard work, integrity, and looking out for your neighbors.</p> <p>It's also why I am focused on working for you, not fighting with the other side.</p> <p>My agenda is simple: Lower food, housing and utility costs. More water for our families and farms. Less red tape that keeps infrastructure projects on the drawing board. And a world where you don't have to choose between paying for healthcare or rent.</p> <p>I'll keep partnering with anyone, Democrat, Independent or Republican, to get the work done for you. This year, despite all the chaos and partisan politics, I secured \$16 million for our district to rehabilitate a fire station, modernize communications for a police department, improve local flood protection and water treatment, repair worn roads and more.</p> <p>I've stood up when our community is threatened. I opposed Donald Trump's massive health care cuts to give tax breaks to billionaires. I am working to roll back his unconstitutional immigration policies and illegal tariffs that increased prices for Valley business and families.</p> <p>Putting the Valley first is not an empty promise. It's something I am working to prove everyday. I'd be honored to earn your vote.</p> <p><a href="http://www.AdamGrayForCongress.com">www.AdamGrayForCongress.com</a></p>
<p><b>VIN KRUTTIVENTI</b> <span style="float: right;"><b>Age:</b> 50</span> <b>Occupation:</b> Business Owner</p> <p><b>Qualifications:</b> I am running for Congress to restore common sense, accountability, and strong representation to California's 13th Congressional District. Raised with the values of hard work, faith, and service, I understand the everyday challenges facing families in the Central Valley because I have lived them.</p> <p>As a successful entrepreneur, I have created jobs across the country and know what it takes to meet payroll, grow a business, and balance a budget. I believe Washington should operate with the same discipline American families and small businesses use every day, spending responsibly and planning for the future.</p> <p>For too long, career politicians have prioritized special interests and partisan agendas over the people they represent. I am a political outsider, not a career politician, and I do not take large PAC money. I am running to put CA-13 first and to answer only to the people I serve.</p> <p>I am committed to securing the border, strengthening public safety, and supporting law enforcement so our communities can feel safe again. I support responsible budgeting to reduce inflation, cut wasteful spending, and protect taxpayers while standing up for working families.</p> <p>I believe parents—not bureaucrats—should guide their children's education and that schools should focus on academic excellence and career preparation. I firmly support the First and Second Amendments and the rights of law-abiding citizens. I am stepping forward to fight for a stronger, safer, and more prosperous future for the people of California's 13th Congressional District.</p>	

**Candidate Statements for  
State Assembly, District 9**

**JIM SHOEMAKER**

**Qualifications:** As the most conservative Republican in this race, I am running to represent the Ninth Assembly District in the California State Assembly.

I am proud to be endorsed by Congressman Tom McClintock.

I am also honored to have earned the endorsements of the San Joaquin and Stanislaus County Republican Parties, the San Joaquin Young Republicans, Amador County Supervisor Dan Epperson, Lodi City Councilman Cameron Bregman, and numerous city council members and county supervisors across our district.

Sacramento politicians continue to neglect working families. Their failed policies have resulted in sky-high gas prices, crippling housing costs, and punitive taxes while ignoring the values of faith, family, and personal responsibility that strengthen our communities.

As a small business owner, I understand the daily challenges of job creators under California's heavy regulations. As a former Teamster, I witnessed environmental extremists and special interests destroy good-paying jobs and drive housing costs higher. As a husband to my wife Joanie and a proud father, I am deeply concerned about the safety of our children as politicians allow predatory policies to stay in place in our local schools.

Since I was young, I have worked in roles connected to the Central Valley's multi-billion-dollar agricultural industry. I will fight to protect our Delta water and expand water storage above and below ground.

With the support of my wife Joanie and our children, it would be my honor to serve you in Sacramento.

**Candidate Statements for  
State Assembly, District 13**

**TOM PATTI**

**Occupation:** Businessman / Father

**Qualifications:** California is on the wrong track! Families are struggling with high costs like gas prices, skyrocketing energy bills, groceries still rising, available and affordable housing out of reach from endless red tape, and crime/homelessness plaguing neighborhoods. Sacramento politicians want more taxes without results, they're even targeting property hikes on seniors—while wasteful spending fuels deficits without improving a quality of life that you deserve.

Where's the common sense? The Governor is campaigning and legislators fight instead working together fixing budgets, living costs, failing schools, or public safety. Over-regulation kills jobs, limits smart growth, and makes your life more difficult. Enough!

After eight years as your County Supervisor, I cut wasteful spending, secured millions for public/private partnerships, homeless solutions, and public safety, all without raising taxes. I fought for Prop 36 to crack down on retail theft and stood up to safely re-open schools and businesses during COVID.

In the Assembly, I'll deliver real action: push to lower energy costs, suspend gas taxes, protect parents' rights in education and at school, keep girls' sports for girls only, promote smart growth for affordable housing that preserves neighborhoods and homeowners' hard-earned equity, all without more government overreach or destroying communities.

I'll work hard for you, I'm a proven leader who gets results, not a career politician tied to Sacramento's failures. Our district deserves affordability, safety, freedom from excessive control, and a better quality of life for our families and kids.

[www.TomPatti13.com](http://www.TomPatti13.com)

**RHODESIA RANSOM**

**Age:** 52

**Occupation:** State Assemblymember

**Qualifications:** I'm running for re-election to the State Assembly because we deserve a leader who keeps promises and delivers results, and I've done just that. Over the past two years, I've brought meaningful resources back to San Joaquin County—lowering costs for working families, protecting local jobs, and strengthening public safety while defending our Delta and agricultural economy.

Service is in my DNA. My grandmother instilled in me the importance of giving back at a young age, and those lessons shaped my life's work. For more than two decades—as a nonprofit co-founder, Planning Commissioner, Tracy City Councilmember, and now your State Assemblymember—I've focused on expanding opportunity and delivering practical solutions.

I secured \$10 million for Family Justice Centers, including support for survivors here at home; \$8 million to launch the California Bioeconomy Innovation Campus, creating clean-energy jobs in our region; and \$20 million to protect the Delta from invasive species threatening our farms and water supply. I also strengthened safeguards for foster youth and supported tougher penalties for human trafficking and drunk driving.

Affordability remains a top priority. I passed laws protecting more than 1,000 local manufacturing jobs, ended mandatory high-cost internet contracts for renters, and am working to hold utility companies accountable for outrageous energy bills. My office has helped local residents recover nearly \$1 million through hands-on casework services.

As Chair of the Assembly Emergency Management Committee, I improved wildfire response and strengthened disaster preparedness while keeping San Joaquin's needs front and center.

It is an honor to represent our community. I respectfully ask for your vote.

**Candidate Statements for  
Assessor-Recorder-County Clerk**

**STEVE J. BESTOLARIDES**

**Qualifications:** Serving as your Assessor-Recorder-County Clerk for the past ten years has been a profound honor. My tenure has been defined by three core priorities: modernizing infrastructure, elevating customer service, and expanding public access to information.

Together, we have successfully brought the department into the digital age. Our redesigned, mobile-friendly website allows residents to easily apply for vital records and conduct property business online. As the custodian of records, I have prioritized digitizing our archives to protect San Joaquin County's history from catastrophic events like fire or flood while ensuring faster, easier public access.

To better serve our growing community, we expanded our main office to include a passport acceptance facility and opened a satellite branch in Lathrop. These expansions bring essential services directly to you, significantly reducing travel and wait times.

I am incredibly proud of my dedicated staff for building a customer service model that now serves as a benchmark for counties across California. As your Assessor-Recorder-County Clerk, I will continue to manage your tax dollars with fiscal discipline while delivering the excellence you deserve.

I would be honored to earn your vote.

**Candidate Statements for  
Stockton City Council, District 1**

<p><b>MICHELE PADILLA</b></p> <p><b>Qualifications:</b> 4 years ago, you took a chance on me—an educator and public servant, not a career politician. Together, we beat a well-funded machine because you believed District 1 deserved independent leadership that answers to the people, not wealthy donors.</p> <p>I promised to stand my ground and fight for our community. I kept that promise.</p> <p>In my first 2.5 years, we cleared District 1’s largest homeless encampment, a site neglected for over a decade. People said nothing could be done. We proved them wrong. I also launched the Citywide Safe Grounds Initiative to clean streets and connect the unsheltered to services.</p> <p>Crime is down, but the work is not finished. I am pushing to secure dedicated police units focused on protecting our neighborhoods.</p> <p>When we faced a wave of mailbox thefts, I worked with residents and law enforcement to act fast. Several main suspects were identified, arrested, and are now being prosecuted.</p> <p>Special interests are still trying to sell Stockton to the highest bidder. I am not bought and paid for, and never will be.</p> <p>I will never forget that “I work for you!”</p> <p>No Secretaries. No Gatekeepers.</p> <p>Call me directly: 209-565-2421 (Cell)</p> <p>I respectfully ask for your vote.</p>	<p><b>LAN NGUYEN</b></p> <p><b>Qualifications:</b> I am the daughter of a South Vietnamese Army captain who was imprisoned by the Communist government after the fall of Saigon in 1975. When I was seven, my eight-year-old sister and I worked in the rice paddies to help care for our three younger siblings. Childhood was not about play — it was about survival.</p> <p>Because of my father’s political status, our family faced hardship and discrimination. I learned early on how to protect my siblings, stand firmly, and refuse to let others define our future. Those experiences shaped my resilience, faith, and commitment to service.</p> <p>In 1990, we arrived in Stockton as refugees, grateful for a second chance. I earned my AA from San Joaquin Delta College, a BA in Economics from American University, and I will complete my MA in Political Science in December 2026. I later served as President of Student Government and the Vietnamese Student Association at Delta College, President of Asian Pacific American Public Affairs – San Joaquin Chapter and now serve on the Stockton Measure W Citizens’ Oversight Committee.</p> <p>Stockton gave my family hope. I am running to give back and help build a safer, stronger future for all.</p>
<p><b>TAMICA SMALL</b></p> <p><b>Qualifications:</b> I am a lifelong Stocktonian, a proud mother of three, and a veteran law enforcement professional with over 20 years of service. I grew up here, built my career here, and raised my family here. Stockton is my home — and it deserves leadership that puts people and results before politics and division.</p> <p>Today, our city faces serious challenges. Infighting at Stockton City Hall has left residents frustrated and unheard. Our Stockton Police Department remains understaffed. Homelessness continues to grow, and rising crime threatens the safety and stability of our neighborhoods. We cannot afford paralysis. It’s time for less talk, fewer excuses, and decisive action.</p> <p>As a county probation officer, I have worked on the front lines of public safety, holding offenders accountable while helping families rebuild. I understand the realities our officers face and the importance of smart, balanced crime-fighting strategies that actually work. I am not a career politician — I am a public servant who takes responsibility and delivers results.</p> <p>North Stockton deserves a councilmember who understands our community, will restore civic pride, advocate for more police officers, implement real solutions to homelessness, and make public safety the top priority from day one.</p> <p>I respectfully ask for your vote and your trust.</p> <p>Respectfully, Tamica Small</p>	

**Candidate Statements for  
Stockton City Council, District 3**

**MICHAEL BLOWER**

**Occupation:** Councilmember / Business Owner

**Qualifications:** It has been an honor to serve this city I love so much.

Our community's safety will always be my top priority. That's why I am proud to have the support of Stockton Firefighters. I've worked hard to strengthen public safety by establishing a new fire truck company, reopening a closed fire station, and replacing aging equipment to ensure first responders have the tools needed to keep Stockton families safe.

As a small business owner, I know the importance of fiscal responsibility. I will continue protecting your tax dollars while investing in infrastructure, such as the new fencing at Swenson Park, improving streets, upgrading parks, and backing local businesses that create jobs and strengthen our quality of life. I will always put Stockton's working families first, so I am honored to have the support of the San Joaquin Building Trades.

We've also made progress on the statewide homeless crisis here in Stockton by opening the Zeiter Navigation Center and Pathways Modular Unit Community. These efforts deliver resources and rehabilitation for those in need.

As a lifelong Stocktonian, I'm thankful to represent you and the wonderful city my family and I proudly call home.

I would be honored to earn your vote.
