

ANDY K SU, MD

AGE: 48

Occupation: Incumbent/Emergency Physician/Community Volunteer

Education and Qualifications: I am a current Director of the Mountain House Community Services District (MHCSD) Board and have been for the last 12 years, I am a strong opponent of tax increases and deficit spending and a strong proponent of balanced budgets, public safety, better communications with residents and public recreational activities.

Professionally, I am a board-certified emergency physician and I have worked at our local hospital, Sutter Tracy Community Hospital, since 2005.

I spend much of my free time volunteering for the nonprofit that I founded in 2009, Mountain House Flag Football (MHFF). Through this nonprofit, I have been able to meet thousands of my neighbors and provide many activities for youths and adults including flag football, youth cheer, tennis, golf, 5K/10K, princess events, Halloween Parades and others. I have also coached basketball at Wicklund Elementary for the last 6 years and I am currently the head coach of both varsity tennis teams at Mountain House High School.

I love the way our town has grown and I am excited about the direction that we are headed. I hope you will give me the opportunity to use my experience and dedication to our town to serve you for 4 more years.
