

Casey J. Goodall

San Joaquin Delta College Board of Trustees Area 6

Age 63

Retired Associate Superintendent for Business Services, Tracy Unified School District

It has been my privilege to serve students, parents and teachers for the last 26 years as Tracy Unified School District Associate Superintendent. I'm grateful to have worked with local educational leaders to create practices and conditions that promote learning, both at the K-12 and post-secondary levels.

We are fortunate to have Delta College, a higher learning institution that prepares students with top-notch training for jobs that support a family or for furthering their college education. Yet, many graduating high school students or adults, looking to augment their career education, overlook the affordable first-class learning experience Delta provides. We must remedy that.

As your representative, I'll work collaboratively with my fellow board members, to promote the value of higher education and how Delta can fulfill that need. I'll also ensure, in these uncertain times, students have a safe and healthy educational experience. Lastly, as someone who has taught School District Budgeting for the University of Southern California, I will provide strong fiscal oversight for our budget.

I proudly served my country in the US Navy, now I'd be proud to serve you on the San Joaquin Delta Community College Board of Trustees.

I would be honored to have your vote.
