

Charlie Halford
Retired Police Chief

Public safety must be Manteca's top priority and I am running for Manteca City Council to continue making our City a safe and great place to live, work and raise families.

As a firefighter/EMT, Manteca Police Officer (11 years as Manteca Police Chief), and Boys & Girls Club of Manteca Executive Director, I gained invaluable "on-the-ground" insight that makes me uniquely aware of our strengths and opportunities as a City.

Now more than ever, our City needs experienced leadership with a vision to promote collaboration between government, its citizens, and the volunteer agencies which provide safety, educational, and emergency services to our community. I, Charlie Halford, am that leader.

I'm involved with the Second Harvest Food Bank, United Way of San Joaquin County, Manteca Rotary, Give Every Child a Chance, Boys & Girls Club of Manteca and Lathrop, and the Great Valley Bookfest. I've served as Board Chair or President, of Manteca Rotary, Boys & Girls Club of Manteca, Manteca Hall of Fame, and United Way of San Joaquin County.

A vote for Charlie Halford is voting for honesty, integrity, and leadership. I believe in open, transparent government that treats everyone with respect and fairness. Government should provide the highest level of service at the lowest cost – maximizing your tax dollars for the greatest good! Public safety must always be a top priority.

With your vote, together we can continue to make Manteca a great city to live, work, and raise our families.
