

Christopher Lee Sandoval  
Lathrop City Council

I was born and raised in Lathrop and have lived here since before Lathrop was formally a City. My family went to Delta Market (now La Reina) when it was the only grocery store in town. I have felt over the past couple of years that the place I call home is turning into a place I don't recognize. We have enough fast-paced big cities and don't need another one. I'm running for city council to protect Lathrop's small-town feel. My priorities would reflect the needs of our residents for safe neighborhoods, which begins with more community outreach and continues with regular community interactions. I ask for your vote to help maintain Lathrop's small-town values.
