

**DAN TAVARES ARRIOLA**

**AGE: 30**

**OCCUPATION:** Deputy District Attorney

I'm running for Mayor because this moment in history demands a leader who can secure a better future for all.

Having grown up in Tracy, I've seen our community change and grow. After graduating from West High, I earned degrees from UCLA and USC Law, then returned home because I wanted to serve this community.

As a Councilmember and Deputy D.A., I've committed myself to making Tracy the best community possible. On Council, I've fought to ensure that action gets done—but there's still much to do.

It's time to prioritize public safety. As Deputy D.A., I fight for justice in our community every day. I'll fight to ensure public safety is our highest priority, and develop comprehensive solutions to complex issues like homelessness and reducing neighborhood violence.

It's time to rebuild the economy and city infrastructure. I'll fight for 21st-century jobs, green renewable energy, and ValleyLink connectivity to BART.

It's time for affordable housing. I grew up in a low-income household and experienced my family lose our home. I'm familiar with the struggles that everyday people face in our community. As housing costs skyrocket, I'll fight to secure middle-class housing.

It's time for a new generation of leadership!
