

David A Pombo
Lammersville Joint Unified School District Board Member
Farming/Ranching

As a life-long resident of the Lammersville School District, my wife and I raised our 5 children here. Our daughter graduated with the inaugural senior class of MHHS and our son graduated from MHHS 3 years later. Additionally, we have a granddaughter attending elementary school in the Lammersville District. I have a vested interest in the success of our students. With pleasure, I have served for the last 10 years on the LUSD Board of Education, serving 5 terms as Board President and 1 as Board Clerk. I have and continue to serve on many district committees and understand firsthand the dedication required to ensure that our district continues to provide exceptional educational opportunities for all our students.

In addition to my school board duties, I am also a member of numerous booster and parent groups at our district's schools and volunteer throughout our community including chairing the Relay For Life event for 5 years. I make every effort to attend and support school and community events throughout the Lammersville School District so that I can best understand and serve the students and families that I represent.

I am dedicated to this District and humbly ask for your vote.
