

Jaime A. Medina

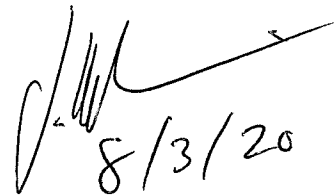

Age: 42

Occupation: Founder CEO Non-Profit, Combat Veteran

Born and raised, I'm a fifth-generation Tracyite. Following high school graduation, I volunteered to serve my country in the Air Force. After six combat deployments, I honorably retired as Special Operations Team Leader. I returned home and graduated from the University of the Pacific with mental health and substance abuse certificates. Due to the rise in Veteran suicides, I founded FIX'D Inc., Veterans transitional resources based in Tracy.

I will focus on safety, common sense solutions to homelessness, and enhancing the local economy. Our first responders need to have the resources to keep our community safe and we must have a zero tolerance on crime, especially gang violence. We need to invest in our quality of life and finish amenities that improve the life of our families and children. Prior to future growth, Tracy must have proper infrastructure in place.

Many small businesses and workers have been impacted by COVID-19 and we must ensure that they have the resources and support to thrive. I will lead the way for Tracy to be more "business friendly" and I understand the importance of bringing quality businesses and higher paying jobs to Tracy. I would be honored to earn your vote.
