Candidate for the Office Of City Councilmember

Name	Jennifer Torres-O’Callaghan	Age	47
Occupation	Incumbent/Mother		

Education and Qualifications:

I am currently serving in my second year as your Lathrop City Councilmember. During my tenure, I have advocated for and succeeded in having a lighted crosswalk installed at Lathrop High. I have also worked to develop a citywide distracted walking ordinance with signage to help protect our children as they use crosswalks. Other projects include: advocating for affordable water and sewer rates; advocating for better bussing alternatives for our students, seniors, and families; and advocating for our local businesses during the pandemic.

In addition to my time on Lathrop City Council, I have served on the Parks and Recreation Commission, the Measure C Citizens Oversight Committee, and the Planning Commission. Throughout my service tenure, I have consistently focused on responsible growth, supporting our first responders, and, most importantly, being a strong voice for Lathrop’s families.

I love living in Lathrop. I love raising my family in Lathrop. And I love serving in Lathrop.

I am honored to by your Councilmember and hope to have your vote.

Jennifer Torres-O’Callaghan
