

Name: Melanie Greene
Manteca Unified School District Trustee Area 3

Occupation: Director of Continuous Improvement and Support at the San Joaquin County Office of Education

Every student deserves an education that inspires them to realize their limitless potential and that is why I am running for school board. Our teachers, students, and families deserve a representative that amplifies their voices and builds an environment where students thrive and become college, career, and life ready. After graduating from Manteca Unified, I attended UC Berkeley, where I earned my Master's degree in Public Policy and I have dedicated my career to public education. Throughout my career I've taken on leadership roles within all aspects of education as a teacher, a principal, a director at the California Department of Education, and San Joaquin County Office of Education.

I am proud to have received the endorsement of the local teachers organization, the Manteca Educators Association, which represents the 1,200 Manteca Unified teachers. I will work to ensure that the hard-working MUSD teachers and staff have access to tools that will help them create student-centered classrooms. I believe students deserve access to reliable supports that build upon their strengths and accelerate their learning. Our community deserves a champion that understands the work it takes by every member of a school to create a safe and supportive environment for students and their families.
