

Mikey Hothi

Occupation: Lodi City Commissioner/Legislative District Director

My name is Mikey Hothi and I am a candidate for Lodi City Council, District 5. I'm born and raised in Lodi, attended Lodi Unified schools, and am a proud graduate of Tokay High School. After graduating from college, I returned home to give back and serve our community.

As District Director to Assemblymember Jim Cooper, I have fought to make this city safer for our children and families, supported erosion restoration at Lodi Lake, and helped improve the city's cybersecurity infrastructure. Additionally, I serve on Lodi's Measure L Citizens' Oversight Commission ensuring that your tax dollars are spent efficiently and transparently. I am also a board member of the Lodi Fire Foundation working to raise funds that support local firefighters.

I am committed to Lodi and will continue to advocate for its success with a fresh perspective and collaborative approach. I remain grateful for the unwavering support of many local leaders, farmers, small business owners, and working families throughout the city. Together, we can ensure a bright future ahead.

I would be honored to earn your vote. www.MikeyHothi.com.
