Designation: Parent / Nonprofit Director

I am passionate about quality public education, not only as a parent of two children currently at Lincoln Unified schools but also as an involved community member who wants our District and City to thrive. Our children deserve the best and I will continually push for excellence. I have a proven track record supporting education and children in our city including serving on the board of directors of the Children's Museum of Stockton and as a founding officer building a PTSA for a new school. I promise to ask the tough questions and demand thorough and transparent answers. Lincoln families support their schools and teachers; in return they deserve a Board that supports and represents them. We are living in challenging times and dealing with unprecedented issues and needs. Now more than ever, we need strong leadership willing to listen, communicate, and pivot with evolving realities. I appreciate the mosaic that makes Lincoln strong and appreciate the diverse needs of LUSD and the community. I look forward to working together to secure quality education for all our students. I would be honored to have your vote. www.SandraChan4SchoolBoard.com
