

**STATEMENT OF CANDIATE FOR
CITY OF LODI COUNCIL MEMBER
FOR DISTRICT 4**

SHAK KHAN

Age: 30

Occupation: Small business owner

My education and qualifications: I have lived in the City of Lodi for 25 years. I am a young husband and a father of two beautiful children. I attended George Washington Elementary school, promoted from Lodi Middle, and graduated from Lodi High School class of 2007. I worked for the Department of Defense for the U.S military from 2012 till 2016 as contractor overseas. I love the livable, lovable city of Lodi.

I will do my best to fix the streets of Lodi, clean up the homeless crisis and bring diverse communities together in the City of Lodi. I will also work in hand with local law enforcement to take care of the local gang violence, drug problems and keep Lodi safe. I will fix the education problem that low-income families deal with and for children to receive a better education.

I believe I am a good young candidate and capable to be the council member for District 4 of Lodi because I have courage to face any issues the community is dealing with. Please elect me and let's make Lodi clean and safe again. God bless!

Elect Shak Khan for results!
