

William Muetzenberg

Age: 24

Occupation: Legislative Assistant

Tracy has been my home for sixteen years. I grew up playing in Lincoln Park, strolling down 11th Street, and attending Tracy Learning Center and Kimball High. While at UCLA, I first gave back to our community as a fellow for Assemblymember Susan Talamantes Eggman, helping her pass legislation to establish ValleyLink. After graduating, I worked to pass major civil rights legislation as a team member of Equality California.

Currently, I'm a Legislative Assistant in Sacramento for a major Public Policy firm, working with lawmakers to pass thirteen key housing bills and building partnerships with dozens of activist organizations and local businesses.

This city set me on the path to a fulfilling life and I'm running for future generations to continue having that same opportunity. As your Councilmember, I will use my years of policymaking experience to lead our town to better days. I will support housing developments that working families, young professionals, and senior citizens can afford. I will push Sacramento and DC to give us the funds to complete ValleyLink, improve our roads, and shorten our commutes. I will boost investment in our local businesses, so our community can bounce back stronger than ever before.

A handwritten signature in black ink, appearing to read "William Muetzenberg". The signature is stylized and includes a long horizontal flourish extending to the right.
