Military personnel on active duty are eligible to defer the payment of their taxes under the provisions of the Servicemembers Civil Relief Act. Instead of the penalties, costs and fees imposed under California law, the unpaid taxes are subject only to interest at the rate of six percent (6%) per annum.

While the Act provides for 6% interest per annum of deferred taxes, the San Joaquin County Treasurer-Tax Collector will waive penalties, costs, interest, and will suspend tax sale of qualified properties for a period of 180 days. After the 180 day period, the provisions listed on the Servicemembers Civil Relief Act will apply.

This application form may be completed by the military servicemember, his or her adult dependent (including spouse), or any other individual authorized by the servicemember to act on his or her behalf. Please complete the information below and attach a copy of the orders and a letter from the commanding officer. Annual verify of active duty military status is required.
