Critical Care Emergency Medical Transport Course

Fresno, June 19th - August 8th 2018

Course Tuition: \$1150.00

American Ambulance is proud to bring The Critical Care Emergency Medical Transport Program (CCEMTP) to Fresno in conjunction with the University of Maryland, Baltimore County. It meets the highest standard set forth by the NAEMSE Endorsement Committee and is the first nationally recognized course for critical care.

CCEMTPSM was designed in response to the growing need for qualified specialists in the area of critical care inter-facility transfer. It helps to prepare paramedics and nurses to serve with competence and confidence in meeting the needs of critical care patients undergoing inter-facility transports.

The 100+ hour course covers a wide variety of critical care topics including:

- Critical Care Environment
- Medical
- Airway Management
- Trauma
- Other Special Considerations
