San Joaquin County & Delta Water Quality Coalition  
"Pesticides in Surface Water"

November Meetings (2 hours Laws & Regs):

San Joaquin County Agricultural Biologists  
"Regulation Updates & Reviews"  
"Top 10 Violations for San Joaquin County"  
"Rodenticide Regulations"

December Meetings (2 hours Laws & Regs):

San Joaquin County Agricultural Biologists  
"Chlorpyrifos Updates"  
"Headquarter Inspections"

All Meetings will be held at:  
SJC Robert J. Cabral Ag Center  
2101 E Earhart Ave, Stockton, CA, 95206

### **Who Is Required To Renew/Obtain A Private Applicator Certificate (PAC) For The Coming Year?**

- Growers with last names that start in the section of the alphabet **A - H**
- All new growers who do not possess a PAC but want to use Restricted Materials

**Remember: A valid PAC Card is needed to purchase, apply, and store Restricted Materials**

### **Information On Renewing A PAC Card With Continuing Education (CE) Hours:**

- Growers (**A-H**) renewing with CE hours must apply for renewal by **April 1, 2019**, otherwise you will be required to retake the PAC exam
- All CE hours must be earned prior to PAC Expiration (12/31/2018)
- At minimum, 6 CE hours are required to renew. Of those at least 2 hours must be "Laws & Regulations"

## CE Meeting Information

### Who Should Attend:

- All Growers (A – Z) choosing the CE Method
- Private Applicators and other License Holders

### Why You Should Attend:

- Earn continuing education (CE) hours for grower certification and other license holders
- Receive an update and a review of pesticide laws and regulations

### What Does It Cover?

- 2 Hours of Laws & Regulations\*

\*You cannot earn extra CE Hours by attending multiple sessions of the same topics.

## Exam Information

(Given after the 15th and 20th November grower meetings and before the November 29th meeting (5pm), otherwise as walk-ins from 8am to 3pm Monday through Friday at SJC Robert J. Cabral Ag Center)

### Who Should Take the Exam:

- Growers who do not have enough CE hours and new growers

### What You Must Bring to the Exam:

- Government issued ID

### What You Should NOT Bring to the Exam:

- Weapons, cameras, cell phones, hats, jackets, purses, sunglasses, watches, writing instruments etc.
- (Test takers are allowed to possess only car keys and prescription glasses with clear lenses)

### Study Material:

“Pesticide Safety: A Reference Manual for Private Applicators, 2nd Ed.” is sold online at:

<https://anrcatalog.ucanr.edu>
