San Joaquin County Operational Area
Stakeholder Quarterly Meeting Minutes
July 31, 2019
3:00 p.m. – 4:30 p.m.
Robert J. Cabral Agricultural Center,
Assembly Room 1

Primary Objective: To improve and sustain readiness within San Joaquin County Operational Area, by providing a common operating picture in regards to emergency preparedness planning, training, exercising, as well as information and resource sharing.

ATTENDEES:

Shellie Lima – SJC OES
Jeremy Aguilar – SJC OES
Lowell Allen – SJC OES
Irene Judd – SJC OES
Marcia Cunningham – SJC OES
John Austin – SJC HSA
Kendra Larian – SJC PHS
Rick Aguilera – SJC HSA
Matthew Esposito – SJC EMSA
Phil Cook – SJC EMSA
Muniappa Naidu – SJC EHD
Donna Strange – SJC Purchasing
David Cardoza - Montezuma Fire
Marco Solis – Montezuma Fire
Lacy Edwards – Port of Stockton
Jeff Vine – Port of Stockton

Dennis Bitters – Ripon Fire
Elsy Votino – Cal OES
Kristi Duenas – LLNL
Travis Digiulio – Stockton PD
Andrew Smith – Stockton PD
Aaron Bayhon – Ca. Conservation Corps
Jeremy Edwards – Ca. Conservation Corps
Nancy Antonio – SJ RTD
Michael Moncrief – MBK Eng.
George Hartman – RD2074 & 2030
Rhett Kilgore – Siegfried Eng.
Jacob Bejaramo – KSN Inc.
Bill Darsie – KSN Inc.
Christopher Neudeck – KSN Inc.
Elizabeth Ramos – KSN Inc.
Dante Nomellini – Rep for various RD’s

TOPICS DISCUSSED/SHARED:

1. General update on Office of Emergency Services

   a. Update on previous meeting action item status – The Heat Pre-Season meeting was held in on May 23, 2019. Attendees reviewed the Heat Annex and cooling zones and centers.

   b. Public Outreach: OES has been involved in 12 various events since the last meeting, reaching well over 1000 persons. Information on public preparedness,
heat, power outages and flooding were shared. Board Proclamations are being drafted for the following:

i. September is National Preparedness Month
ii. October 19 – 26 is Flood Preparedness Week

c. Planning

i. Status of Plan development – The following plans will be available for viewing from the OES Plans web page as indicated.
   - De-Energization Annex: Final Draft will be released next week.
   - ESF4 Fire & Rescue: First draft due for comments by end of August.
   - ESF5 Management: First draft due for comments by end of August.
   - ESF6 Care and Shelter: First draft due for comments by end of August.
   - Severe Weather Annex: First draft due for comments by end of August.

ii. MYTEP Workshop: This was held on July 22. There were 15 agency stakeholders represented – missing Sheriff, Fire Mutual Aid, and Cities of Tracy, Lathrop, Manteca, Escalon and Ripon. OES will be reaching out to them independently for input. Increasing SEMS/NIMS/ICS knowledge and training for EOC/DOC Command and General Staff were identified as County priorities for training and exercises in the future. Be sure to send training and exercise plans to Shellie Lima by August 31 to be included in the Countywide MYTEP.

d. Training – None scheduled at this time.

e. Exercises

Earth EX 2019: A web based event with various levels. The participation date will be between August 21 and October 31. For organizations, as an out-of-the-box senior level exercise, it provides an opportunity to examine and rehearse critical executive and operational decisions required before a full operational exercise. OES is planning to host one, possibly 2 events in the EOC during the event time frame. Agencies can view the information at: https://www.eiscouncil.org/EarthEX.aspx

For individuals, families and community groups as an interactive game-like experience that will help with basic preparations, and with planning that can help secure and sustain participants during an extreme disaster.
f. Meetings
   i. Pre-season Flood Coordination Meeting (October 16)
   ii. Alert and Warning Planning Committee (Date TBD)

2. Update on Grant activities
   a. DWR Statewide Grant – nothing new.
   b. DWR Delta Flood Emergency Response Grant Round 1 – Finishing up brochures for the evacuation plans.
   c. DWR Delta Flood Emergency Response Grant Round 2 – Beginning to coordinate the flood fight container and supply purchase with RDs and LMAs. ICS Training reimbursement for RDs and LMAs is still available, have not received any invoices to date. Meeting held immediately following this meeting to share and discuss plans for LMAs to purchase caches and containers.
   d. Homeland Security Grant – Alert and Warning System

3. Agreements
   a. American Red Cross agreement was formally accepted in May by Board of Supervisors. A copy is maintained in the Advanced File Library of WebEOC.
   b. Operational Area Agreement – Still under revision; need to meet with Cities prior to approval process.

4. Round table
   • John Austin reported that on 10/9/19 a Shelter Fundamentals Course would be held on at HSA by Red Cross. He also reported that Stanislaus County will be doing a simulation drill that HSA will be observing.
   • Dante Nomellini reported they are seeing issues with levee repair work slowing, due to issues with endangered species. This issue is narrowing the window in which RD’s are able to conduct necessary work/repairs on levees. Mr. Nomellini also recommended conducting a table top exercise between RD’s and response agencies to exercise revised plans.
   • George Hartman concurred with Mr. Nomellini’s assessment of the difficulties that are being seen by RD’s attempting to make necessary repairs to levees.
• Jeff Vine reported that the Port of Stockton is working on a “Stop the Bleed” Course which is designed for Active Shooter events. Mr. Vine also advised that the Port would be working with Cal Water on an exercise for EOC’s.

• September is Emergency Preparedness Month: Shellie Lima reported that OES and PHS are working on a Financial First Aid Seminar for late September and that local fire departments will be conducting training for citizens on “Hands Only” CPR on Saturday, September 14. She also noted that the Great Shake-out exercise is scheduled for October 12.
